

Goodbye Presidency: Obama caves-in to Jewish lobby

Barack Obama just lost the race for the Presidency. At an address to AIPAC, probably the most powerful UNREPRESENTATIVE lobby in the USA, Obama caved to the wishes of the Zionists by pledging almost unconditional support for Israel and going so far as to state publicly that Jerusalem, claimed by two peoples, would remain the undivided capital of Zionist Israel.

Before the starting gun fired Obama tripped on something called INTEGRITY and fell on all his VACUOUS PROMISES of hope and change! Two characteristics a new inspirational revolutionary leader must maintain are STEADFASTNESS and INTEGRITY, characteristics that do not include kowtowing to minority elites and special interest groups regardless of how powerful they are perceived to be -- nothing is more powerful than the masses!

Obama, in a very revealing moment, ignored the power of his own mass appeal and rhetoric and made a clear very PARTIAL statement regarding Israel and Jerusalem - there goes the Presidency!

Most Americans rely on their gut feelings and instincts, Obama's extraordinary backflip has hit the entire nation right in the gut, the ramifications are unmistakable - the hopeful has no hope!

The rabid right in all its multifarious forms can put their guns away; Hillary's undisguised plea for an assassination proved to be unnecessary, Obama has eliminated himself, the Presidency will go to the Republican, notwithstanding that McCain may not live - heart failure -- to take office.

The people love a strong and uncompromising leader, flip-floppers not wanted or needed! Vacillators never ascend to the top job in the USA -- 'it's all over now baby blue!'

Barack Obama proved to be an anomaly, a shooting star momentarily flashing across the night sky, or perhaps a symptom of a nation in its last throes.

Regardless of how we interpret Obama, nothing will alter the course of America. The forces that have been set in motion by the (neo)conservatives are now almost irreversible - Obama's back-flip

and loss of integrity is evidence of the fact!
