

Prime Minister Rudd shames the nation

There is only one Australian politician that presents a more pathetic figure on the international stage than Foreign Minister Stephen 'kneepads' Smith, and that is our new pipsqueak PM, Kevin 'bereft' Rudd!

Kevin Dud

His first performance on the world stage ended in disaster. Insults from Indonesia come at oblique angles and JI leader Abu Bakar Bashir is expert at hurling derision at Australian leaders; it seems he couldn't wait to let go at Rudd.

While Rudd was in 'prancer' mode at the climate summit held in Bali, Bashir was enjoying a visit - complete with media contingent - with the Bali bombers in jail. They were all pictured laughing and having a great old time partying to the tune of Bashir hurling abuse at the VICTIMS of the Bali bombing! This attack was clearly aimed at Rudd but our pathetic little prancer had no answer for the Indonesians, who always enjoy watching Aussie leaders humiliated.

Our bereft 'leader' had no answer for the outrageous outburst and targeted insults from that ratbag, Bashir! It was a lesson in getting to know our new gutless leader.

Rudd could have demanded the surrender of the known killers of the 'Balibo Five' but not a peep from the pipsqueak PM.

Former PM John Howard set new lows for Australian leaders in cowardice and servility; we all thought it would be impossible to match his record but Rudd proved us all wrong. Rudd returned to Australia covered in Indonesian shit, with not even a lie of compliance regarding the surrender of the murderers of the Balibo five!

The entire world was waiting to see what calibre of a man Australia had chosen for its leader and what a bloody tragedy Rudd proved to be! After Howard and Rudd it is almost impossible to admit to being an Aussie, the shame of it!

Rudd's next effort was to comply with American dictates and insult China while on a visit - good one Kev, China is only the worlds leading economy and our largest trading partner but Bush demanded support for the Dalai fraud's attempt to disrupt China and cause internal dissent.

Let's not forget the Japanese kicking sushi in Rudd's face over the whaling issue. Have you ever seen a national leader back off so fast? From air and sea surveillance to nothing - 'onya Kev, you useless prick!

But cop his latest effort, Rudd wants nuclear disarmament - who doesn't? But he seems to have forgotten the yanks recently tore up a nuclear treaty and used it to ignite a war in the Balkans and another in Central Asia! So it's a safe bet pretending to be doing something for world peace, isn't it, Kevin? However, INTEGRITY would demand that YOU confront the two nations most likely to use nukes and they are the USA and Israel! Give it your best shot, Kev, you've got 'Buckley's and none' and YOU KNOW IT!

It's too easy exposing the worst PM we've ever had. Challenge them face to face, Kevin; it is not difficult confronting U.S. lies, we do it every day!

'I love a sunburnt shit hole
A land of useless twerps'
