Mugabe and Bush may have more in common than first pathologically thought! Both pursue their sick visions/delusions without regard to Law, the Constitution or the will of the people. Both exhibit contempt for the sanctity of human life and refuse to acknowledge the huge number of innocent lives they have destroyed. Both leaders justify their actions with theistic babble, a clear indication of psychopathology/megalomania! Both refuse to acknowledge they are directly responsible for war crimes and other crimes against humanity. Indeed, both men share more characteristics in common than differences. They are the most reprehensible criminal leaders the world has seen in decades AND they BOTH MUST BE BROUGHT TO JUSTICE!

Bush, mass murderer and torturer

One perverse leader cannot be brought to account without the other -- JUSTICE must be served.

Abe Lincoln clearly stated that NO ONE is above the Law. Impeachment is irrelevant when facing more horrific crimes against humanity. Both men are mass murderers and torturers and should be tried together to demonstrate the impartiality of a ***functional DEMOCRACY***.

Liberate the people and surrender criminal leaders to the courts. Restore democracy in Zimbabwe and the USA!
