I don't mind giving the piss a nudge on occasion but no matter how much I drink, smoke, or pop - THE FACT REMAINS, JOHN HOWARD IS A WAR CRIMINAL! The former Oz PM, coward and lackey has been misinformed if he thinks it's safe returning to Oz. Howard brazenly launched into Rudd not realising the soft ground he treads. But at least he does the nation a service by demonstrating the utter lack of spine the current PM displays.

Rudd's calibre was demonstrated to the entire international community at the Bali climate summit. Rudd had no answer for a pointed attack levelled at him by JI terrorist, Abu Bakar Bashir. It is very difficult to recover from such a monumental loss of face, as the whaling cave-in demonstrates. It's been all down hill ever since. There's a country to govern and no one to govern it!

At least Howard had the Executives of the Macquarie Group running the country for him but Rudd has to answer to the Unions AND the Bankers, an impossible situation. Nevertheless, the way is clear for the right person, ARREST THE WAR CRIMINAL AND FORCE those that take most from the nation to return most to the nation - it's the Australian way! But its takes balls Kevin, something you clearly lack.

Standing up against the killer, corporate status quo isn't a walk in the park BUT my name is NOT Jack Kennedy. The motto here is 'lean, clean, killing machine' - it's metaphorical, of course!

Go on Kevin, ARREST THE WAR CRIMINAL! What a hide coming back and mouthing off like that. We know what he did and how he did it, don't we Kevin? NO BALLS mate, you gutless little pipsqueak!
