Bob Dylan once penned a lyric that applies today more than ever, “*you don’t need a weatherman to know which way the wind blows.*” Ninety nine percent of Americans today do not require any qualifications to determine that criminals in the White House, Pentagon, CIA, NSA and FBI have in concert subverted the sacred principles upon which the United States was founded and allowed Bankers and CEOs to rob the nation/people blind - the economy is in ruins and no amount of bullshit from ‘experts’ can reverse the inevitable collapse.

1st Baron Rothschild, prototypical Banker and Zionist

We previously urged citizens to compile lists of addresses of thieving Bankers and Corporate CEOs - our lists are almost complete we only hope the same can be said for our America cousins -- justice must be served!

The people have been deceived and nations ruined. The guilty must pay before we re-construct. Dispensing justice to the criminal elites RESPONSIBLE for wreaking havoc on the economy and the lives of millions is IMPERATIVE. Bush, Blair and Howard, the three villains who formed the criminal ‘coalition of the willing’ must be tried for war crimes and other crimes against humanity - various members of their respective governments included.

‘Global’ terrorism IS A FARCE and the attacks on the people were contrived by cabals that wish to control the entire world - LUNATICS that will stop at nothing to achieve their INSANE ends. BUT THEY HAVE FAILED MISERABLY and exposed themselves in the process! Haul them into the courts, the people DEMAND IT! THE GUILTY MUST PAY FOR THEIR CRIMES!

Few today believe the tissue thin lies that have taken us to war and ruined countless lives locally and internationally.

Bush’s global war on TRUTH is lost!

One thing is required now above all else and that is solidarity/unity -- We are One - the forces that

ruined our nation have only hate, fear and DIVISION in their armory. WOULD WE BE DIVIDED AND LED TO OUR DEMISE OR would we EMBRACE IN UNITY?

The poisonous cabals fear UNITY and SOLIDARITY above all else. They rail against LOVE and PEACE and our common humanity. Would we allow them to drive wedges between us? Have we not yet learnt that DIVISIONISM IS DEATH?

I was about to write a paper on the total failure of free market capitalism, but why state the sky is blue, a fact that is now evident to all? Regardless of all the discourse and current gobbly-gook relating to capitalism and the free market economy, the two concepts reduce to WEALTH FOR THE FEW AND OBSCENE WEALTH FOR THE VERY FEW!

The 'free market is a rigged table, a stacked deck, a game designed to relieve you of your freedoms and maintain you in debt - economic slavery has replaced the chains and whips of old but the effect is the same, a slave by any other name is a SLAVE!

Who in their right mind would accept as normal and fair the absurd proposition that the few should possess almost all the available wealth of the world? What insane logic dictates that the majority should accept this huge imbalance and disparity? Are liars, thieves, clowns and buffoons somehow better than the rest of us that we should accept SLAVERY? After eight ruinous years of Bush & Co., the answer to that rhetorical question is OBVIOUS!

Why accept SLAVERY? NO ONE TODAY IS ABLE TO JUSTIFY A MODEL THAT EXPLOITS THE MANY FOR THE BENEFIT OF THE FEW, especially when that model has led to economic collapse.

America is unable to legally justify any of the wars it currently wages; in fact, the evidence clearly indicates that the American people were duped into warfare in order for the few to reap trillions of extra dollars from the nation. You tell me what type of fool would allow proven criminals to remain at large in those circumstances?

A proven criminal President has no legal authority whatsoever. Every action of a criminal president is null and void in the legal sense, and that applies to his entire government! Furthermore, all criminal actions are punishable by LAW - and no one is above the law in a REPRESENTATIVE democracy!

SELF-EMPOWERMENT is like waking from a bad dream -- the way forward is clear; hold the criminals to account and restore the integrity of our governments and state institutions.

We are ONE.

Peace.
