

Obama and the FAILURE of the Big Sell

All doubt relating to Barack Obama's status as puppet and house slave is removed by simply citing his support base - what a circus! Look it up and offer it as verification to the most hardened sceptics. [A few supporters of the 'people's president' (what a laugh) are mentioned here to 'stimulate' further research; "Goldman Sachs, J. P. Morgan Chase, Citigroup, Bill Gates and Warren Buffett, the world's richest man, to name a few!" How's dem apples, you yankee doodle dunces?]

Obama is a man of the RULING ELITE, it's as obvious as the white nose on his black face! One puppet president out and a new puppet in - the 'executive' hasn't missed a beat. No major policy changes whatsoever, so its up to us to rid the world of banjo-playing inbred doodle dandies, cousin-fucking, inbred Islamists and Zionist Nazis!

I have a prior commitment and have to run, but allow me to openly state, with the utmost exhilaration, it is the most satisfying job on the planet - the fight against the evil scum that has infected human societies across the globe!

Good luck gentlemen, but the outcome is a foregone conclusion. Throughout history and today it is skill and intelligence translated into tactics that win the day, not weapons of mass deception and destruction.

I'll be seeing you, HANGING FROM THE NEAREST LIGHT POLE! You can bet your life on that!

We have been fighting you from the beginning of time, so give it your best shot, you murdering, selfish, greedy, PIGS -- you are your own worst enemies!

[You will regret the day. You have no defences against us, none whatsoever!]

As for the wider human community -- WE are ONE!

Peace.
