

Rudd displays real Aussie 'backbone' while in Indonesia

by barra Thursday, Dec 11 2008, 9:57pm

international / social/political / commentary

None of us imagined in our wildest imaginings that anyone could beat the record of cowardice and servility set by former PM, John 'rodent' Howard. However, Kevin 'custard face' Rudd, has recently CONFIRMED that he is indeed the most spineless leader Oz has ever known! Our Kevin has set a new benchmark of servility and dog-cowering cowardice, which unfortunately stains ALL Australians everywhere; do us proud Kevin, Oink!

Submissive Rudd with Yudhoyono, 'done like a dinner!'

While running errands in Indonesia for Washington and his mentor (Murdoch) our custard-faced PM failed to demand the surrender of the KNOWN MURDERERS of the 'BALIBO FIVE!'

For those with short memories and the cringing cowards that would rather not face themselves, an excerpt from the NSW Coroner's report follows:

FINDING - SECTION 22 (1) CORONERS ACT 1980.

"Brian Raymond Peters, in the company of fellow journalists Gary James Cunningham, Malcolm Harvie Rennie, Gregory John Shackleton and Anthony John Stewart, collectively known as "the Balibo Five", died at Balibo in Timor- Leste on 16 October 1975 from wounds sustained when he was shot and/or stabbed deliberately, and not in the heat of battle, by members of the Indonesian Special Forces, including Christoforus da Silva and Captain Yunus Yosfiah on the orders of Captain Yosfiah, to prevent him from revealing that Indonesian Special Forces had participated in the attack on Balibo. There is strong circumstantial evidence that those orders emanated from the Head of the Indonesian Special Forces, Major-General Benny Murdani to Colonel Dading Kalbuadi, Special Forces Group Commander in Timor, and then to Captain Yosfiah."

Entire report available here:

Rudd and our imbecile agencies haven't yet noticed that on every occasion we demand the arrest of

the known killers of five (unarmed) Aussie journalists, Indonesian authorities politically engineer an increase in people smuggling activity from Indonesian shores! This feeble political ploy from the killers of five unarmed Australians -- and thousands of Timorese civilians, you gutless wonder, Ramos-Horta -- is as transparent as their wives' underwear, pewk! It is designed to apply pressure on the serving government via our dumbarse, DIVIDED parliament, which would rather allow foreigners to exploit us than unite in the nation's best interests, you political infants!

In another feeble attempt to save face and distract the public Rudd rushes to Jakarta to arrange for the arrest of ONE (1) people smuggler - what a 'stunning' political negotiator, folks, an FDR or Marshal Tito, if ever there was one! Learn how to negotiate, manoeuvre and manipulate from positions of power and positions of strategic importance, you (cringing) lame Aussie, fucks!

Washington has also ordered our hapless bureaucrat leader to 'stabilise' Pacific nations in order to facilitate their EXPLOITATION - well, give it your best shot Kevin '07;' our black and brown-skinned brothers are a thousand times more the man than you'll ever be, you servile, lackey, COWARD! If you are unable to bring known murderers to justice then you are not worth a pinch of shit - and the ENTIRE REGION KNOWS IT!

Oi! Oi! Oink!
