It's the end of the world as THEY know it, and WE are ecstatic!

Everything once considered sacred in Western society -- the free market is God -- is falling apart in the most dramatic and public manner. All excuses based on ignorance evaporated with your jobs, savings and homes. Excuses based on a lack of information, knowledge or PROOF are all INVALID after **Cheney CONFIRMED on national television that he is a war criminal and torturer!** Almost all your leaders have been exposed as puppets, buffoons and/or mass murderers -- the pillars of your society proved to be made of chalk. Everything you have been taught as Truth has been exposed as LIES -- it's all coming down as I write; a \$50 billion fraud here and there is nothing compared to a \$700 billion bailout that blew out to \$8.5 trillion in weeks -- I can hardly contain my laughter -- you pathetic, spineless, turds!

This time the SHIT spraying from the 'fans' of corruption will affect EVERYONE; including the wealthy who will be tracked down like dogs and annihilated by the moronic, marauding hordes that once toiled like slaves in their 'fields.' Milton Friedman got everything wrong except the law of COST and consequence -- which everyone ignored -- 'there's no such thing as a free lunch,' he said!

After decades of feasting, gluttony and over indulgence the PIGs (society's leaders) have been given the bill -- BUT THEY can't pay! One guess as to who is paying, you dumbarse, vacuum-headed, SLAVES! You deserve it all and more for earning your place in history as the lowest and most COWARDLY mass of human life on record!

I think it was Abe Lincoln who said a drop of honey is worth a gallon of bile, perhaps, but we have tankers of bile and we really enjoy pouring it (the REAL truth) on your miserable heads, you nothings!

TAKE A GOOD LOOK IN THE MIRROR and stare at the person/s responsible for the condition you find yourself in! In a departing interview, CHENEY COULDN'T HAVE BEEN MORE CONTEMPTUOUS OF YOU IF HE TRIED! No parallels or comparisons exist IN ALL HUMAN HISTORY -- YEP, SHEEPLE I'm talking to YOU, you despicable oxygen wasters!

Recent events prove that even a lunatic like Cheney can get one thing right, you're not worth a pinch of shit -- YOU servile, contemptuous morons!

Merry fuckin' WINTER SOLSTICE, you ignorant fools -- you are celebrating a PAGAN FESTIVAL and you haven't a clue. Mindless slaves are congregating in the 'Holy land' of blood and guts -- let's call a spade a spade shall we, idiots! The land where three of the world's most HYPOCRITICAL religions meet to OPENLY DISPLAY THEIR HYPOCRISY but keep believing the LIES and don't forget to hand over your hard-earned money -- praise the genocidal, bloodthirsty, sadistic, thieving, gold-loving, 'Lord' -- you screaming IDIOTS!

But you ain't seen nothing yet, YOUR leaders have plans in store for YOU that would make your worst nightmares pleasant! And it couldn't happen to a more deserving bunch.

Irony can be sweet indeed; they serve up the ugly reality every day on the morning news - reminding you all what a bunch COWARDLY, useless shits you really are! CHENEY just decided to rub it in on his way out!
