

## Alternative Xmas message to “the constant drivel of Pope and Queen”

by quill Thursday, Dec 25 2008, 10:39pm

editorial / social/political / news report

Britain’s Channel 4 has broadcast a bold and controversial Christmas message from one of the world’s most notorious characters, the Iranian President Mahmoud Ahmadinejad; however, unlike his American and Israeli counterparts the Iranian President has not yet attained the status of mass murderer! Perhaps Channel 4 is giving the world a lesson in HYPOCRISY!

***Iranian President Mahmoud Ahmadinejad***

Take note Pope Ratzinger, you vile, lying, aberrant.

Mark 10:21 “..One thing thou lackest: go thy way, sell whatsoever thou hast, and give to the poor, and thou shalt have treasure in heaven: and come, take up the cross, and follow me. 22 And he was sad at that saying, and went away grieved: for he had great possessions. 23 And Jesus looked round about, and saith unto his disciples, How hardly shall they that have riches enter into the kingdom of God! 24 And the disciples were astonished at his words. But Jesus answereth again, and saith unto them, Children, how hard is it for them that trust in riches to enter into the kingdom of God! 25 It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God.”

The one consistent theme in the New Testament is Jesus’ detestation of wealth/money/opulence; not one contradiction in that regard, notwithstanding many other contradictions in the text! We can therefore be CERTAIN that the staggeringly wealthy, opulent, Roman Catholic Church (and others) are as far from God as it’s possible to get – good luck, you shameless, lying HYPOCRITES!

It seems the Iranian President brushed up on the New Testament prior to delivering his Xmas message. In characteristic form Ahmadinejad levelled a barrage of criticism at Western Imperial powers. *“If Christ were on Earth today, undoubtedly he would stand with the people in opposition to bullying, ill-tempered and expansionist powers.”* *“If Christ were on Earth today, undoubtedly he would hoist the banner of justice and love for humanity to oppose warmongers, occupiers, terrorists and bullies the world over,”* he said. He got that right!

A raving Persian lunatic attacking the raving, lunatic, mass murderers of the West is a BALANCED refreshing change, more power to you Channel 4. Israel/America and other murdering, hypocritical nations are bleating protests as I write.

Highlighting OUR collective HYPOCRISY, corrupt religious/political leaders and our idiotic beliefs has been achieved by Channel 4 with minimal effort - a perfect media coup and presentation, let them all choke on it!

Jesus made it CLEAR by Word and HIS example that his servants do not fight on this earth; *John 18:36* “..My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews:”

One million dead Iraqi and four million dead Indo-Chinese civilians are impossible to hide from God, Captain America! As are the deaths of approximately 450,000 Iraqi children; the legacy of Clinton's embargo - but it “was worth it” according to Madeleine Albright, who is now advising Obama!

The people are extremely pissed with all the bullshit AMERICA/ISRAEL - how many INNOCENTS have you killed this week?

*From the newswire: Eartha Kitt, a rare talent, died today; dying is common to all but it's how you live YOUR life that counts! Well done, 'Eartha baby' - the 'beat' goes on! Ms Kitt was blacklisted for a decade for her outspoken opposition to the (4 million civilian deaths) Vietnam War. Whose side is God on, Captain America?*

*Outstanding playwright and political activist Harold Pinter died yesterday; Pinter's plays need no recommendations from me, however, I would mention that his vehement opposition to the criminal USA is not a lost cause. Pinter's detestation for Bush and his criminal administration -- which he compared to the Nazis -- is shared by many artists and creatives! They are only able to kill and destroy whereas we CREATE - the outcome is therefore a foregone conclusion. A writer dies but 'his pen' never rests!*
