

Exposing God, the root of the Problem!

Everything we know, including our knowledge of 'God,' NECESSARILY (must) refer back to the source of production of that knowledge, HUMANITY! That rather obvious fact should be self-evident, however, few are able to appreciate the clarity and simplicity of TRUTH - have you not yet noticed that everything we know of 'God' has been PRODUCED and encoded BY MAN? Furthermore, all man-made Gods are peculiar to and described by the idiosyncrasies of the cultures that created/produced them!

Two bullets for you, child.

God/s are usually invested with the 'highest' ideals of their respective cultures, therefore analysing the religious beliefs of any culture reveals a wealth of knowledge, including the attitudes and behavioural characteristics of that culture.

For example, the callous and brutal murder of children and civilians in Gaza today is not unsurprising if the ingrained ideology of the Jewish people is analysed. The worst war crime committed to date by the IDF is the intentional shelling of a UN school where hundreds of civilians had taken refuge from the Israeli attacks.

The UN is furious that one of its clearly marked facilities had been intentionally targeted by Israeli artillery. Israel admitted the attack was not accidental, spokeswoman for the IDF, Major Avital Leibovitz, characteristically attempted to justify the WAR CRIME in terms completely compatible with Jewish culture/religion, to paraphrase, 'if we are shot at, we shoot back' [and to hell with the innocent civilians KNOWN to be taking refuge in the area] -- wherefrom this heartless callousness and murderous, genocidal attitude, you may well ask?

There are no mysteries in this universe, least of all behaviours relating to human society:

Deuteronomy

7:6 For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.

7:16 And thou shalt consume all the people which the LORD thy God shall deliver thee; thine eye shall have no pity upon them: neither shalt thou serve their gods; for that will be a snare unto thee.

Joshua

6:21 And they utterly destroyed all that was in the city, both man and woman, young and old, and ox, and sheep, and ass, with the edge of the sword.

6:19 But all the silver, and gold, and vessels of brass and iron, are consecrated unto the LORD: they shall come into the treasury of the LORD.

6:24 And they burnt the city with fire, and all that was therein: only the silver, and the gold, and the vessels of brass and of iron, they put into the treasury of the house of the LORD.

Proverbs 9:17

Stolen waters are sweet, and bread eaten in secret is pleasant.

Very revealing! Jews worship – have been socialised by -- a racist, ethnic cleansing, genocidal, acquisitive, gold-loving, thieving, merciless, sociopathic, ‘God!’

Regardless of the opinions of apologists, the passages CLEARLY REFLECT CURRENT REALITY!

It is irrelevant whether or not Jews regard themselves as moderate or extreme they have ALL been socialised by this extreme ideology and regard themselves as ‘superior,’ special, “chosen,” if you like!

Indeed, the truth is, we are ALL ‘Palestinians’ according to Jewish ideology!

Clearly no solutions are possible in the Middle East until Jews are made to join the rest of the human race and abandon their murderous, racist ways. War crimes trials must be pursued as an immediate response to these appalling and horrendous attacks; that remedy should also apply to other nations that consider killing innocent civilians as (mere) ‘collateral damage.’ We either vigorously pursue war crimes trials or we justify the crimes of WWII and exonerate the Nazis – the world today has arrived at that appalling position!

I would add that the above analysis in no way exonerates other religions; it merely highlights the too often overlooked causative factors that determine cultural behaviour.

We should not forget that Christian Evangelicals supported the lying, thieving, mass murdering Bush regime throughout its term in office.
