

Arrogance, unilateralism and contempt for the world

by yarra *Friday, Jan 23 2009, 7:46am*

international / social/political / commentary

'Those who live by the web, die by the web!'

The revolving door of American politics has returned the 'A' team to office; you remember, the Clinton gang of criminals and murderers that implemented the Balkan strategy in '99, the model which Bush happily exported to Iraq and Afghanistan but failed to implement in Georgia, South Ossetia!

Holbrooke, Clinton and slave boy, Obama

Remember Richard Holbrooke consorting with notorious Albanian Kosovar criminal gangs involved in drug dealing, illegal arms trade, white slavery and now human organ harvesting - read Carla del Ponte's book.

Holbrooke also struck a deal with Bosnian Serb leader, Radovan Karadzic, which he later reneged on! Holbrooke is a KNOWN quantity, he has the integrity of a sewer rat and the morals of snake - next to this man \$1 whores are elevated to Virgin Mary status. No lower politician exists in the world today than Holbrooke, search this site for more details.

As if to dare the world or to highlight Obama's STATUS AS PUPPET, Dick Cheney, displaying the utmost contempt for the world, CONFESSED ON NATIONAL TELEVISION that he approved torture/waterboarding and condoned ALL the policies and practices of the Bush regime. Furthermore, he plainly stated he was instrumental in the implementation of those policies -- so how about it Barack, you piece of useless shit? PURSUE WAR CRIMES or forever suffer the stigma of slave boy and FRAUD, you disgrace to everyone of colour, but especially to the American descendants of slaves!

Closing Gitmo but leaving the underlying policy structure intact conveniently allows for the removal of these torture camps from public notice but not for their eradication; who are you trying to kid, Barack O'Charade? We had your measure before you attended the Bilderberg convention, but no one was prepared for your gut-churning address at AIPAC, a truly nauseating performance! No president has ever submitted to Israel with such zeal!

The Obama media circus is currently in full swing, it even includes some commentators that should

know better; how easily a nation of vacuum-heads forgets WAR CRIMES and CRIMES AGAINST HUMANITY; however, let me assure you the WORLD does not so easily forget; America's denial only increases the desire for JUSTICE! We include the following quote to illustrate a point:

"The inheritance of our young century demands a new era of American leadership," Obama said. "We must recognize that America's strength comes not just from the might of our arms or the scale of our wealth, but from our enduring values. And for the sake of our national security and the common aspirations of people around the globe, this era has to begin now."

Allow the world to clarify REALITY for you; firstly you "lead" NOTHING, your failure to pursue WAR CRIMINALS forfeits ALL MORAL leadership - you clown!

Your military "strength" is not only matched by other super powers, the Sino-Russian ALLIANCE dwarfs your military! As for your so-called "wealth," your economy is totally destroyed - the American national DEBT currently stands at \$10 TRILLION and you are BANKRUPT! Printing toilet paper money cannot save you this time, black 'prince!'

As for "enduring values," the world perceives only more deception, criminality and failure to address your responsibilities; you simply cannot leave one million dead civilians in your wake or support the murder sprees of Israel and hope to sell this behaviour as something desirable - are you beginning to see how tragically divorced from REALITY your idiotic statements are?

We refer you to your American dream which is all you have left; dream on, and dream some more!
