

Three high profile fugitives, Bush, Blair and Howard

by nano Tuesday, Feb 3 2009, 8:20pm

international / injustice/law / opinion/analysis

As the world takes stock of the military and economic CARNAGE these men are responsible for it becomes ever more URGENT -- imperative in fact -- to place them in the dock of a war crimes tribunal and hold them accountable for their actions. We have no illusions, of course we are aware they are merely pawns but they CONSCIOUSLY engaged in the most heinous crimes committed this century and expedited the now FAILED strategies of various powers and interests - THESE MEN ARE ABLE TO LEAD US TO THE SHADOWY FIGURES that have for years PULLED THE STRINGS BEHIND THE SCENES. [Perhaps we have signed their death warrants!]

'Yes we can,' but REALITY indicates, NO you CANNOT!

It's TIME TO CLEAN OUT the 'back room' and start afresh. Any reticence or compromise regarding ERADICATING this vile filth FROM OUR WORLD would result in more CARNAGE and millions of innocent lives lost - TAKE A GOOD LOOK AT THEIR TRACK RECORD if you have any doubts!

These three men and their cohorts are able to IDENTIFY the principals in a failed push (PNAC/NATO) to control the global economy and world's resources. Take note of the cost to date; over one million innocent lives lost, four million displaced persons and a plundered oil resource in Iraq alone; add to that their criminal activities in Central Asia and the Middle East and the toll is nothing short of HORRENDOUS - WE ARE DEALING WITH THE MOST EVIL PEOPLE THAT HAVE EVER WALKED THIS PLANET, and I am not inclined to melodrama!

Take a look at the real COSTS of their drunken sailor economic 'policies' of irresponsible spending (CREDIT) designed to line their masters' pockets with ever more wealth - the WORLD ECONOMY has been trashed so a few PIGS and MASS MURDERERS could indulge their PERVERSITIES - that is the SIMPLE, HARD INESCAPABLE, REALITY.

I can not stress enough the IMPERATIVE of APPLYING the LAW to these CLEARLY guilty, former leaders of the coalition of willing criminals!

Together these three cowardly leaders conspired to LIE through their teeth regarding 'WMD,' 'aluminium tubing' and a '45 minute attack capability' on the West in order to extend executive powers and introduce draconian laws to facilitate (the now failed) "New World Order." There is NO

GLOBAL WAR on TERROR, there never has been; it is, and has always been A SHAM! We are dealing at worst with black flag ops and small groups of scattered fanatics and murderers, the province of traditional policing!

The world can ill-afford INEFFECTIVE puppets in leadership positions at this CRITICAL stage; Obama, Brown, and Rudd typify the passive, compliant to the same EVIL STATUS QUO as their predecessors - this evil circus must be stopped and it must be stopped NOW!

It is abundantly clear that today's Western leaders are completely SUBSERVIENT to the same vile interests that are responsible for the many CRISES the world faces today - again, it must stop NOW!

Obama is perhaps the most obvious example of the new strategy of the criminal powers to feign moderation and 'humanity' while pursuing exactly the same policies behind the scenes begun by Clinton and escalated by Bush.

These people are responsible for bombing Europe in the modern era, in order to ILLEGALLY appropriate a land corridor for oil and gas pipelines; energy corridors are usually legally negotiated to everyone's benefit BUT 'they' WANTED IT ALL and the only means to accomplish that type of GRAB was to FLOUT THE LAW and apply CRIMINAL BRUTE FORCE! Take a look at the COST and 'success' of that strategy since - needless loss of life, MAYHEM and CARNAGE on a huge scale!

The American people were led into supporting Obama with false hope and mindless slogans the most often repeated was "yes we can," well, what the fuck 'CAN YOU'?

Apply the LAW - INSIST on it! The LAW is highly efficient in these matters. Begin with holding the three former fugitive leaders of the 'coalition of willing criminals' to ACCOUNT and end with restoring REPRESENTATIVE DEMOCRACY to the world. It CAN be done!

We are ONE or we are nothing!

Peace.

Fearless leadership and integrity in Washington -- by Mr Fish
