

Keith Olbermann's scathing attack on war criminal Cheney leads America in WRONG direction!

international / social/political / opinion/analysis

Outside America we are not so easily distracted, duped OR MISLED! It is NOT a matter of "leave the country" (stated with downcast eyes, Mr Keith Olbermann) or finalising your attack on Cheney with "GO!" It is QUITE THE OPPOSITE!!

For Cheney and his cohorts there can be no other OPTION but the DOCK, Mr Olbermann! He REMAINS and faces court at home or is shipped to the Hague, the precedent -- trying State leaders - has already been set! THOSE ARE THE TWO OPTIONS THAT ALL PEOPLE WITH CONSCIENCE DEMAND, Mr Olbermann; the CONTEXT IS LEGAL not MEDIA/COMMERCIAL!

Nice try but WE (THE WORLD) remain committed to HOLDING CHENEY (and the rest) FULLY ACCOUNTABLE for their actions and self-confessed crimes.

There can be no riding off into the UNACCOUNTABLE 'American sunset' for these criminals, Keith, you fuckin' slick psychological operative.

Your distraction and EXONERATION of Cheney, ('leave, go') is completely unacceptable in view of the millions of innocent deaths directly attributable to him and senior members of the Bush administration. [I wouldn't be at all surprised to learn that Cheney suffered an unfortunate 'mishap' or 'accident,' which resulted in his demise -- we both know he is drawing undue and UNWANTED ATTENTION to people who would prefer to disappear!]

In conclusion Mr Keith 'Psyop', NOT A WORD on ACCOUNTABILITY OR WAR CRIMES TRIALS in your scathing -- but ineffective -- attack! I bet they pay YOU handsomely for avoiding the REAL ISSUES and manipulating the American population!
