In another major expression of convoluted and inverted 'neo-liberal-conservative' logic/values, President Baa'raack O'Fraud, contacted Oz's, Kevin '07,' and offered his prayers for the victims of INADEQUATE, INEPT, SUBSTANDARD, CLEARLY INCOMPETENT GOVERNMENT, a reality the Victorian bushfires tragically highlighted.

Australian Spirit -- can you see, Baa'raack?

Australia is fundamentally a secular, pragmatic, culture, President O'Fraud; your "prayers" are better directed at the ill-educated, uninformed, mindless morons that populate your bible belt. You know, those cretins that believed Bush and now believe that you represent something other than the STATUS QUO!

Had your researchers done their job you wouldn't be surprised to learn that I speak for countless Aussies when I say, 'you know what you can do with your "prayers," Mr O' Snake Oil,' blow them out your lying, murdering arse! Fight your own illegal wars and leave our troops out of it - release our troops, Mr 'continuity we can believe in!'

Do Australia a favour, Mr President of failed economy, illegal invasions, permanent war, mass murder, occupation and PLUNDER -- do not drag Australia into the murky depths you are currently drowning in! Release our troops; we are not in favour of fighting wars of invasion and occupation against people defending their traditional lands, homes and families.

You were once only a slick liar, Baa' rack; now you're a thief, mass murderer and war criminal; WE are not about to be dragged into the pit you have dug for yourself!

From countless Aussies and others around the world, FUCK OFF you reprehensible piece of shit! Or if you prefer a biblical quote, "Physician heal thyself!"

Never make the mistake of judging Oz by the example of Howard and Rudd; you are dealing with the other HALF, the ('Irish') immigrants, as opposed to the conservative colonialists.

I almost forgot, I have a message to relay to all reprehensible murderers of women, children and innocent civilians; the independent people of Australia, Afghanistan, the Northwest tribal region,

Africa, Asia, Europe and countless tiny states across the globe, unanimously say; GO TO HELL!

Do not cry for us or pray for us, you transparent lackey; you will soon learn the true nature of the Aussie character - neither Howard nor Rudd are considered representative of the national character by the MAJORITY of Australians, and they ought to know!

YOUR FLAGRANTLY CRIMINAL GOVERNMENT WILL NEVER SUCCEED! Pray for your own, CORRUPT, MURDERING soul, Barack!

As for the FREE PEOPLE OF THE WORLD - WE are ONE.

Peace.

Rudd prays that Aussies do not hold him responsible!
