

Losing heart? Not on YOUR bloody life!

international / peace/war / opinion/analysis

Whether it was news of our pathetic, pipsqueak PM, Kevin 'suck harder' Rudd, accepting 'advice' from a heinous war criminal, Henry '4 million carpet-bombed dead' Kissinger or Obama's latest speech framing IMPERIALIST war policies in smoother words but no less bloody consequences that made me stall, I do not know - old soldiers never flinch, they just get stoned! However, on this occasion it was pure rage that propelled me forward and sustained my sense of purpose and FIGHT, yes F-I-G-H-T, I was trained for the task - at birth!

The difference is critical; in action I could completely rely on my mates/comrades while I undertook a strategic action or mission. That reliance and mutual support is THE CRITICAL FACTOR MISSING from the public response today! The social ills precipitated by insider criminal elites, fraudsters, banksters etc, which currently threaten the tenure of western society should have seen POWERFUL, REMEDIAL SOCIAL RESPONSES, as has occurred on numerous occasions in the past -- those negatively impacted cured the problem!

However, today the reverse has occurred; the cause of the problem, corrupt, criminal, elite minorities, continue to ply their dastardly trade on a paralysed majority - nonetheless, unity of purpose and a strong desire for surgical solutions remains a potential (social) energy reserve!

Others have referred to the 'light pole' solution for offenders that contemptuously defy society. If it doesn't govern, it is NOT government; if self-confessed torturers and war criminals walk free, clearly a breakdown in LAW and enforcement has occurred!

When State Institutions cease to serve the people IT IS CAUSE FOR GREAT ALARM AND EVEN GREATER ACTION TO REMEDY THE SITUATION!

In such circumstances responsibility falls on the shoulders of the people and if the people are not up to the task responsibility then falls on those capable of applying remedies/solutions/cures!

It should never be forgotten that NO ONE is above the LAW or the reach of the appropriate regulatory authority, full stop!

However, today we witness, almost on a daily basis, the FAILURE of our leaders to implement policies in conformance to the will of the people, especially in relation to JUSTICE and EQUITY! The situation is not difficult to understand; if a leader fails to represent those that placed him/her in power then that 'leader' has forfeited every right to lead and represent the people; the mandate ceases to exist and POWER returns to those that initially invested it - that process is automatic!

The people would have by default or otherwise regained SOVEREIGNTY and as such would no longer be answerable to a CORRUPT STATE! As sovereign entities the people would have all the rights of nations, including the RIGHT TO ENGAGE IN WARFARE! Sovereign laws are SACROSANCT! [It would be well if puppet leaders became aware of their folly and the massive discontent that now threatens violent overthrow in many nations!]

Without doubt the most effective solution and cure for much of the chaos and mayhem in the WORLD today would be the INSTITUTION of war crimes trials for ALL previous and current leaders accused of crimes against humanity and other crimes of State. Almost overnight the world would be transformed and the people would take heart that much needed new directions have been taken.

Those who continue to promote war would clearly be identified as criminals or in the service of criminals, regardless of how smooth the delivery!

WE are ONE.

Peace.
