international / social/political / commentary

attack Bank of Scotland and burn effigy of Banker

The same mainstream media that refuse to pursue western war criminals, thieving bankers and robber barons described concerned citizens protesting G20 as 'violent anarchist rabble,' as an effigy of a banker was hung and burned by protesters in 'The City' financial district of London today.

Protesters, frustrated by police containment, lashed out and stormed the Bank of Scotland in a symbolic gesture to draw attention to the suffering that privileged elites have caused globally! However, the mass media chose to cover the designer clothing worn by the wives of world leaders as they 'ate cake with their tea' this morning! [Give me an INSULAR break!]

ARE YOU PEOPLE SERIOUS? The current summit in London is reminiscent of the circumstances that precipitated the French Revolution -- the dissociation and insular attitude of world leaders (puppets) and their economic 'experts' staggers belief.

If government fails to represent the majority and political 'leaders' ignore the plight of the masses, RESPONSIBILITY AUTOMATICALLY RETURNS TO THE PEOPLE! It is CLEAR the PEOPLE MUST ASSUME their TRADITIONAL ROLE of RESORING BALANCE, LAW and ORDER to society. Allowing insular, elitist criminals to remain in their privileged positions where they continue to wreak havoc on a massive scale AND EVADE JUSTICE, can no longer be tolerated!

All peoples of ALL NATIONS have inalienable rights to protect their homes and families from thieves, invaders and criminals. LEGAL codes have been developed over hundreds of years to protect ALL. LAWS apply to EVERYONE, NO ONE IS ABOVE THE LAW! If WAR CRIMINALS and parasitic financial elites are allowed to remain free and unpunished for their misdeeds and crimes, understand the consequences and understand them well, the ELITES WILL GO DOWN, as they have countless times before!

Restore JUSTICE, EQUALITY and LAW to the world!

Peace.

[This is the beginning of a CONTINUING STRUGGLE to eliminate mass murderers, gangsters, corrupt governments and white-collar criminals from our midst. WE WILL RESTORE SANITY, HARMONY and FAIRNESS to the world - the price of failure is catastrophe!]

WE have prevailed before and we will prevail again - the outcome is assured.]

We are ONE.
