Out of the horse’s mouth; from a speech delivered in Prague by Baa’raack ‘status quo’  
Obama, President of the world’s leading criminal nation!

Apply that statement to YOURSELVES, ***HYPOCRITES!***

We could start with the criminal bombing of CIVILIAN TARGETS, Dresden, Hiroshima, Nagasaki and progress to ILLEGAL biological and chemical warfare in Korea then move on to the indiscriminate carpet bombing of Indo-China -- the CIVILIAN DEATH TOLL of at this stage is conservatively estimated at 8 million INNOCENT SOULS, but to continue.

The illegal bombing of a European capital, Belgrade, and the ensuing illegal appropriation of sovereign territory, Kosovo! Then of course we have the greatest crime of the 21st century, the American instigated and led illegal IRAQ INVASION and the ensuing HOLOCAUST, which resulted in over one million INNOCENT CIVILIAN DEAD, four million displaced persons and a ruined state!

Meanwhile we have illegal assassination squads answering only to the White House, kidnapping, TORTURE, illegal incarceration and the list goes on to hundreds of crimes committed by of course the nation that demands that WE, the innocent people of the world, BE SUBJECT TO Law and international convention!

Fine! We should start with the obvious WAR CRIMES committed by the Bush/Cheney regime and its allies and progress though to the hundreds of other heinous offences against civilised society ALL PERPETRATED BY THE USA (and Israel)!

In order to avoid all possible misinterpretation or confusion, we repeat and emphasise Obama's statement:

***“RULES MUST BE BINDING, VIOLATIONS MUST BE PUNISHED, WORDS MUST MEAN SOMETHING.”***

Now let’s APPLY what is demanded of us all and hold KNOWN war criminals accountable including those who protect them!

Be very careful what you wish for and watch what you say in future, Obaa’ma, ***your own words could hang you and the CRIMINAL mass murderers you protect!***
