

“They [American torturers] will not be subject to prosecution”

Torture is acceptable and known torturers are protected in the USA; that is the very clear message delivered to the world by boy ‘president,’ Barack Obama! If ever there was a time to fear history that time is now, you pathetic, little, no account, slave! Even the bleeding ‘progressive’ hearts have nothing to run with now! Continuity we can believe in; slave status CONFIRMED; full steam ahead with the status quo and ‘it’s all over now, star-spangled blue!’ [THE CONSTITUTION MUST PREVAIL; CAPABLE PEOPLE ARE AUTOMATICALLY (LEGALLY) COMMISSIONED TO SAVE THE NATION! Be advised you scurrilous criminals, you are KNOWN and you are ACCESSIBLE! JUSTICE WILL PREVAIL; you can bet your vile lives on that!]

Today’s announcement by Obama is the clearest indication yet that nothing of substance has changed in the USA. The world views a criminal nation that now OPENLY (tactically) exonerates TORTURERS and PROTECTS WAR CRIMINALS. So be it, BUT never forget there is a COST to everything and you have sown the wind!

The nation is OPENLY advertising its status as a CRIMINAL, TERRORIST STATE run by backroom brutes, thieves/rogues, mass murderers, psychopaths and criminals of every hue! WELCOME TO THE REAL AMERICA, WORLD!

This day will go down in infamy; the devolution of the USA has struck a new low. I would remind Americans of something the world knows too well, no one is above the law and torture is totally unacceptable; it remains one of the most heinous crimes known to humankind! But to the president of the USA it is a crime not worth punishing!

I leave you to ruminate over the clearest indication yet that Obama is just another White House clown doing the bidding of those powers that have run the country since THEY assassinated the Kennedys, Martin Luther King, Malcolm X and countless others around the world - I’m afraid IT’S ALL DOWNHILL FROM HERE, America!
