

How easily are the masses duped?

Obama sees a “glimmer of hope” in the toilet-bowl economy - LIE! But we are expected to believe that codswallop and that things (invasive wars and financial blowout) are on the improve when in fact nothing could be further from the truth. The LIES emanating from the White House today are indistinguishable from those of the previous regime’s harlequin team, Cheney and Rice, only this time the Secretary of State is white!

Hillary

Remember how Obama curried favour with the electorate during his campaign by stating that he would withdraw troops from Iraq? Well here’s how easily that tissue-thin LIE is exposed.

We won’t dwell on the 60K of so-called ‘non-combat OCCUPATION troops’ that Obama agreed to leave behind. Instead we refer to the readiness of Obama to INCREASE the number of combat troops to IRAQ at any time he wishes - a far cry from withdrawal, wouldn’t YOU say? How easy it is to find an excuse when a State has been ruined with constant warfare! A situation the US would like to implement worldwide - just watch them if you have doubts!

Secretary of State, H. Clinton, recently visited Iraq and demonstrated to the world how much ‘progress’ has really been made after SIX LONG INCOMPETENT, US-LED, HOLOCAUST YEARS; Hillary felt the need to be secretly ferried into the country, that’s progress for ya! If it’s so safe why not announce your visits and be welcomed with “bouquets of flowers;” Wolfowitz would have supervised all the floral arrangements! It’s a shame internationals don’t have three-week American memories, isn’t it, doodles?

We note that Clinton’s visit to Iraq did not involve her ‘ducking sniper-fire’ (LIE) as she claimed after her visit to (American orchestrated) war-torn Bosnia -- the proto-typical war model America hoped would give it access to other regions and the resources it requires. PNAC is not dead nor are the denizens that formulated that grotesque, murderous plan!

Americans, including the ‘politically enlightened’ and ‘socially aware,’ left, seem to have forgotten the events of the recent past; they actually believe things have changed - give the world a break you mindless morons! Where are the war crimes and torture arrests, doodles? In your American dreams, that’s where!

A nation of lobotomised vacuum-heads deserves everything it gets and you ain't seen nothin' yet! The world would be happy to be rid of the criminal USA - you know it! All you have today is a Mafia style leadership, pervasive social DENIAL, HYPOCRISY and a dislocated DREAMWORLD - clearly inadequate tools for survival!

After Iraqi suicide bombers killed 155 in retaliation for the capture of Abu Omar al-Baghdadi, the illusion of stability evaporated along with the promises of troop withdrawal - too easy!

Clinton made her dash to Iraq immediately after the bombings to "reassure" the puppet Maliki 'government;' ***"Let me assure you and repeat what President Obama has said, we are committed to Iraq,"*** said Clinton to fearful, puppet Iraqi 'leaders.'

Here's a taste of REALITY doodles - ONE MILLION INNOCENT DEAD CIVILIANS leave thousands of relatives duty bound to avenge the deaths of their relatives and clansmen. Displaced murdering dictator Saddam Hussein, was right; America is stuck in a quicksand of its own misadventures, as the toilet-bowl economy and State of the foreclosed nation clearly indicates.

The international community has no illusions, they know there can be no peace while America exists - crying shame ain't it? Keep up the 'good MASS MURDERING and TORTURING, work,' PARIAH!

However, allow me to stress a point for the first time; you can't win with 5th rate talents, Uncle - it's as simple as that! WE are SMARTER and FASTER; we detest money and do not seek fame or notoriety! Compare that to your Paris Hilton, David Letterman ideology of name fame, money and mindlessness. You are a DEAD MAN WALKING and you know it -- do your mindless best, losers!

How sweet it is!
