

Torture argument clarified

Torture invariably produces results that torturers wish to hear. The best source for verification is the Catholic Inquisition. Almost all the victims tortured by the Catholic Church “confessed” to “cohabitation with the devil” and were subsequently executed by the Church. The Church’s political interests were served by a TERROR CAMPAIGN overseen by sexually perverse, sadistic, priests administering torture to numerous innocent women and some men over a period of hundreds of years. Today we see the absurdity of those ‘confessions,’ nevertheless, at the time such absurdities were ‘realities!’ TORTURE INVARIABLY PRODUCES EXACTLY WHAT THE TORTURERS WISH TO HEAR - sex with the devil yesterday, 9/11 today!

In the attached video Dick Cheney -- unconsciously emulating Inquisition torturers -- openly admits that he authorised torture and that it produced good, “successful” results - the only thing missing is the cowl!

I reiterate that TORTURE is a CRIME and the full force of the LAW must be applied to ALL torturers (psychopaths) in order to preserve our/society’s civilised values and to keep sociopaths off the streets!

Peace.
