

## **Living History and the REAL face of America**

by Kingfisher *Tuesday, May 5 2009, 10:12am*

international / social/political / commentary

The picture below depicts what appears to be a benign old man in the twilight years of his life - how deceiving appearances can be! If you ever wondered what a genuine mass murdering, war criminal and sociopath looks like, take a good, long, hard look at the infamous face of Henry 'kiss of death' Kissinger, who achieved notoriety as the man responsible for the indiscriminate saturation/carpet-bombing of Vietnam, Laos, and Cambodia, which resulted in approximately FOUR MILLION INNOCENT CIVILIAN DEATHS! That is an outstanding effort and ranks with the most heinous criminal mass murderers of the 20th century yet Kissinger like Cheney, Rice, Bush, Rumsfeld and the rest, walks free while kids are jailed for smoking marijuana! In the land of the great white (and now black) RAT, any INJUSTICE is possible.

***Kissinger***

However, the rest of the WORLD is awake and rejects the LIES, flagrant propaganda, HYPOCRISY, double standards and outright criminality of the most heinous terrorist nation on the planet - the United States of America! Ten MILLION CIVILIAN DEATHS since the Korean war - little wonder America refuses to be a signatory to International war crimes and criminal courts!

If you are wondering why President, 'no we can't prosecute TORTURERS,' dances the Status Quo jig perhaps you should know that it was Kissinger and Associates that gave, 'change we can flush,' Obama, his first job after college - FACT!

Yessiree Bob, Mr watermelon-slurping, tap-dancing, house slave, Baa'raack O'Snake Oil, IS THEIR MAN! Does his paralysis and back-flipping add up NOW? No more mysteries; President, 'no I can't.' Obama is constrained by the same criminal elite that is responsible for the SERIAL assassinations of the country's REAL, INDEPENDENT leaders of the 60's, chief among them Martin Luther King - the greatest man to have ever walked on American soil!

Obama is not a turncoat, as once thought, he is and always was, THEIR MAN; a groomed and paid for slave boy. Obama is without doubt the most despicable traitor to his race and the people the world has ever seen.

Wonder no more why he embraces everything he promised he would reject, the man is a walking LIE

- and I will not waste another keystroke on this piece of shit masquerading as a human being.

Be aware people, your quality of life and safety depend on your awareness; the propaganda that CONSTANTLY issues from the mass media IS digital sewage!

In conclusion, a warning; the powers are AWARE the PUBLIC is no longer BUYING the BULLSHIT and they will not hesitate to resort to extreme 'measures' in order to save their miserable hides - gird your loins people, the shit is about to hit the fan!

Believe NONE of what they would have you believe.

WE know the REAL criminals; track them down, arrest them and hold them to account - PURGE the nation's capitals of criminals and lackeys, the world would do likewise, be assured!

The American PEOPLE continue to be the hope of the world; it is time to restore the principles that once made this nation great.

We are ONE.
