FBI trained, 'drunken dropkick,' Mick 'political expedience' Keelty, announced his resignation from the post of Head CORRUPT (Bali nine sacrifice, Haneef frame up) Federal copper today, two years before his contract expired! Perhaps it was his gross PUBLIC, "well planned event," blunders that forced his EARLY retirement, or the early onset of alcohol induced dementia that became an embarrassment to the show pony government of Kevin 'custard face' Rudd that propelled Keelty out the door, we can only make extremely accurate assumptions!

In view of the OBVIOUS -- to everyone except retards -- criminal collusion involving former PM Howard, AG Ruddock and IM Andrews, in relation to the Haneef case prior to the last election, Rudd's glowing praise of idiot Keelty is totally out of sync with REALITY. Nevertheless, his comments reveal much, we can only imagine the sordid deals struck over one too many beers and a truck load of intimidation; however, tread lightly, Kevin, Keelty has 'the goods' on all of you - and that information couldn't be in more unstable hands! [Hilarious!]

There'll be a lot of sweaty palms in high places for quite some time. Keelty has proven he can go off like a fire-cracker at any time! Yea, Mick, even I, your most ardent admirer/supporter can see you've been badly done by, you show 'em, mate; let it all hang out! [This is too funny, we just helped it along, Mick, we couldn't have done a thing without your GROSS INCOMPETENCE and CRIMINAL COLLUSION - 'A-M-E-R-I-C-A-N' trained, indeed!]

Note the VERY REVEALING fake praise from, '07 Rudd - who is clearly in need of expert advisers to replace his stable of 'old formula addicted' wankers and morons.

"On behalf of a grateful nation, well [dreaming] done .. the country owes you (Keelty) a debt of gratitude for services rendered [What!] .. he's done a first class [cover-up] job for Australia ... we would have been delighted if he had chosen to stay on" [sure we would!]
Extreme overkill gives the game away, Kevin, everyone can see the boot print on Keelty's drunken, incompetent, arse! [Brackets added.]

Endnote:

Don't think for one moment it ends with 'your' resignation, Keelty; we will pursue you into the courts, where you and your conservative politician mates, belong. It's NOT over by a long shot, mate! You are a criminal of the worst order, one that wears a police uniform! I hope they took your

handgun, Mick, we wouldn't want you to rob the Australian public of their opportunity for JUSTICE!
[Sweat, Johnny, sweat!]

[Those interested in additional entertainment, just type *Keelty* in either search box on this site --
AND verify the FACTS for yourselves!]
