Shame, cowardly shame on you Australia; your backward, parochial, xenophobia and racism has AGAIN made International headlines – you can truly be proud of the John Howard, Geoff Cousin's racist revival NOW! The cost of the Cousin's/Howard 'race strategy' for cheap, SHORT-TERM POLITICAL GAIN has come home to roost – and a very well deserved outcome it is! Will it affect our position in the WORLD and our relations with important regional trading partners and other Asian neighbours – YOU bloody bet it WILL! Two dead Chinese nationals killed in race attacks and bashed Indians in parochial Melbourne dictate that outcome, you mindless morons!

Indian 'basher', criminal colluder and incompetent drunk, AFP Chief extraordinaire, Mick Keelty

China swiftly put an end to attacks on ethnic Chinese in Indonesia, attacks which locals considered to be sport – what future COST to Australia I wonder. The world has been very patient to date but everything has a limit?

Australian police CONTINUE to DENY what the entire world KNOWS; that these attacks ARE RACIALLY MOTIVATED -- 'onya Oz, you pathetic, primitives! The first step to cure is admitting you have a problem, ask 'retiring' AFP Chief, Mick Keelty, or any other recovering alcoholic!

Government should have sent a CLEAR MESSAGE to the world by imposing harsh penalties for racist attacks but of course PM, Kevin Rudd's recent praise of 'Haneef bashing' AFP Chief, Keelty did not go unnoticed! Indeed, Kevin Rudd is a 'Pauline Hanson' Queenslander and Aboriginal bashing Queensland police enjoy freedom after MURDERING and regularly committing atrocities against our indigenous Aboriginal people.

Before instigating more Cronulla race riots or vilifying ethnic minorities, Anglo Aussies – now less than 50% of the population -- should try 'thinking' and perhaps realise that all such appalling actions have VERY SERIOUS CONSEQUENCES.

Australia, in the clearest possible manner, must once and for all bury the racist corpse that Howard and Cousin's revived. This deplorable, backward behaviour must CEASE IMMEDIATELY if we are to enjoy good relations with our neighbours, trading partners and a VERY DIVERSE world!

Australian Police Break Up Protest by Indian Students, ABC Says

by Ed Johnson

June 1 (Bloomberg) -- Australian police broke up a sit-in demonstration in Melbourne protesting recent violent attacks on Indian students, the Australian Broadcasting Corp. reported.

The demonstration by several hundred Indian students blocked a major Melbourne intersection, temporarily closing it to traffic, the broadcaster reported on its Web site.

Eighteen students were detained for allegedly breaching the peace, the ABC said. The protest began yesterday when thousands of Indian students gathered in central Melbourne, according to the report.

Indian students say they pump billions of dollars into Australia's education industry and that authorities aren't taking the attacks seriously, the ABC said. Indian Prime Minister Manmohan Singh has expressed concern over the issue to Australian Prime Minister Kevin Rudd.
