Not again Fitzy! A little favour here and a few UNDECLARED gifts there, does not a government minister of integrity make! Joel Fitzgibbon may have to call it a day; and you can take Smith, Swan, Rudd, and the entire contingent of SERVILE, Labor no-hopers, with you!

Fitzgibbon and Smith pandering to Bob Gates

Fitzy has been sidestepping calamities ever since his loose approach became evident to the opposition - can the government afford another impropriety from Cessnock footy player, Joel (please unzip your fly, Bob Gates) Fitzgibbon?

We notice in the same cluster of news SURROUNDING our hapless defence minister an exoneration of the Oz Sigs Corps on charges of spying on the defence minister - hilarious! As one who knows, let me assure the foggy public that if Sigs snooped on Fitzy you would NEVER KNOW!

If not for the Australian Signals Corps at the battle of Long Tan -- one of the most heroic battles in the annals of military history - Aussies would have been MASSACRED, ***no thanks to the yanks for not supplying VITAL intelligence (in their possession)*** of the impending attack by enemy forces!

It seems the yanks desired a slaughter of our boys for their own stinking propaganda and political purposes. For that BETRAYAL and for many other criminal acts WE ARE BRINGING YOU DOWN, you detestable scum - you will regret the day you took Australian lives for granted, you vile, MASS MURDERING, filth!

Should we also mention the pressure you applied on the government of the time to conduct tests of the effects of DEADLY Sarin and Vx nerve gas on OUR BOYS - without their knowledge - we are not Marshall Islanders, you 'septic' psychopaths!

'FUCK YOU, AMERICA' is becoming a well deserved international chorus! You 'septic tanks' make a grave mistake judging Australian CHARACTER from examples such as Rudd or Howard - read the

other HALF, clowns!

To our comrades in arms and other supporters around the globe, we'll see you in Canberra, and be assured, we will not flinch! JUSTICE AND FAIR PLAY, it's the AUSTRALIAN WAY!

Are we able to restore Australia's fair, egalitarian society? You bet we can - IT'S IN THE BLOOD!

Gentlemen, be cognisant of the broader picture on that fateful day and remember we swear allegiance to the nation and its people, NOT to a bunch of traitorous, servile, lackey politicians. The price of TREASON IS DEATH!
