

'Talk is Cheap,' Obama

international / imperialism / commentary

One of the world's most enduring clichés is applied whenever lack of character/substance is detected. Only the most insular hillbillies are unaware that Obama is the leading exponent in the world today of DE-VALUING words! In the past America produced outstanding black leaders of INTEGRITY; it should now be abundantly clear that Obama is not one of them!

Jackie/Michelle -- Desperate handiwork of mass media

Tap-dancing Barack/Barry or whatever he chooses to call himself this week, has all the integrity of snot. Next to men like Martin Luther King and Malcolm X, Obama becomes the incredible shrinking man, disappearing through the cracks in the floor! No one cheapens words more expertly and effectively than minstrel show, Barack O'Bollocks!

Obama, in his ROLE as president of the world's leading civilian-killing nation, placed a white rose at a memorial at Buchenwald Nazi concentration camp where many innocent 'Iraqis, Afghanis, Pakistanis', Slavs, Jews, Gypsies, homosexuals and others considered 'enemy' or expendable were ILLEGALLY DETAINED, TORTURED and exterminated!

Interestingly the origins of the current American ideology (PNAC) of war, plunder and civilian-killing, can be traced to Nazi émigré Jews, Henry Kissinger and Leo Strauss; the NEGATIVE effect these two shameless fascists have had on the USA is immeasurable!

The white rose seems to acknowledge that Nazism has come full circle - if not, Mr Obama, you had better attend to arresting YOUR nation's TORTURERS, WAR CRIMINALS and those responsible for the first HOLOCAUST of the century in IRAQ!

Obama's 5th rate speech writers and handlers expose themselves as shallow-thinking amateurs. They have placed president 'ebony smooth' in an awkward position with the following accusative (of Iranian president) lines:

"To this day, there are those who insist that the Holocaust never happened, a denial of fact and truth that is baseless and ignorant and hateful ...This place is the ultimate

rebuke of those thoughts - a reminder of our duty to confront those who tell lies about our history."

INDEED, Mr Obama! Regarding "denial" and "Holocausts" we refer you to America's recent handiwork in Indo-China, the Balkans, IRAQ, Afghanistan and Pakistan; a conservative figure of SIX MILLION INNOCENT CIVILIANS MURDERED in total by the USA! Think again before putting your foot in your black, lying, mouth! *"You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye."* (Matthew 7:5) I can't improve on that!

Pathetic manipulator and trickster, 'Bert' Obama also FOOLISHLY challenged president Mahmoud Ahmadinejad to visit a concentration camp and VERIFY for himself the identity of the world's leading criminal, TORTURING HOLOCAUST-perpetrating nation. Obama should hope and pray the Iranian President does not ask for a tour of Guantanamo Bay CONCENTRATION, TORTURE CAMP and other secret CIA 'rendition' sites around the globe!

It is a simple matter exposing the ineptitudes of America's top presidential aids (you morons) BUT for analysts, linguists, semioticians and thinking people everywhere we relish the fact that WORDS are NOW wreaking their revenge on Obama.

"DENIAL, HOLOCAUST, HISTORY," we need not mention who stands "rebuked!"

How does it feel, yankee doodle DUNCES?

Ask not why 95% of the world's population reviles mass murdering America, just ask how much longer can such a moronic, universally detested nation, survive!
