

PNAC: a progress report

by finn Saturday, Jun 20 2009, 12:35am

international / human rights / opinion/analysis

I really can't say which particular American breach of International Law or violation of human rights did it - there are so many TORTUROUS options to choose from; however, for me it may have been a slow, solid, build-up that culminated in the most profound exposure and subsequent disillusionment with the nation that asserted it would 'rule the world' for a century!

Think about that absurd notion for a minute and REALISE that the highest American officials continue to cling to this Alice in Wonderland lunatic belief, which continues to be lauded and actively pursued by such neo-Nazi minds as Kissinger, Wolfowitz, Perle, Rove, Cheney, to mention only a few American sociopaths!

Was it the failed attempt to disrupt and splinter China via the followers of the feudal theocrat, Dalai Lama, or was it the U.S. inspired criminally monstrous attack on innocent civilians by the Georgian president that tipped it? Perhaps it may have been the aggressive encirclement of Russia by NATO/US forces and the proposed missile installations in the Czech Rep. and Poland.

Then again it could have been wrenching Kosovo from Serbia, in direct contravention of UN resolution 1244, and the disastrous (US planned) final break up of Yugoslavia which swayed me; the contempt America displays for European LAW is not easily disguised or hidden!

No, the above criminal actions only added to the HORROR, SHOCK and REVULSION I experienced watching the CIVILIAN DEATH TOLL IN IRAQ reach HOLOCAUST PROPORTIONS! I CANNOT TRUCK WITH KILLING INNOCENT KIDS UNDER ANY CIRCUMSTANCES WHATSOEVER, LEAST OF ALL, SO AMERICANS CAN FILL THEIR TANKS WITH GAS!

It was/is the BLOOD of countless INNOCENT CHILDREN that turned me FOREVER against the USA!

The USA is without peer as the most CRIMINAL STATE IN THE WORLD today - "why do they hate us," indeed? Yet this FACT is withheld from the population for fear that the leadership my loose THEIR heads!

How much longer does Murdoch and his ilk imagine they are able to HIDE the FACT that over 95% of the WORLD'S POPULATION DESPISES AMERICA and everything it currently stands for - TORTURE, illegal detention, local surveillance, military invasion of sovereign states and mass murder, to mention some of the most grievous offences against civilisation?

The filth that controls the U.S. administration continues to SLAUGHTER CIVILIANS in Central and South Asia AS I WRITE and they CONTINUE to MEDDLE in the AFFAIRS of OTHER NATIONS, the Iranian election is the most recent example of overt interference!

It is CLEAR the PNAC insanity continues to guide the USA to its INEVITABLE DEMISE, blind Freddy can see that! A change of puppets in the White House has no bearing on the situation whatsoever;

anyone that imagines Obama is able to make a difference is clearly deluding themselves!

The long suffering, information starved, American population is beginning to wake to the fact they are being played as chumps, beasts of burden and EXPENDABLE slaves.

I have only one question for the powers that control the USA, how much longer do you hope to survive? If you seek advice for an accurate answer, ask 'Freddy!'
