

All Human Life is Precious, Mr. Rudd, you reprehensible HYPOCRITE!

In the wake of bomb attacks in Jakarta, which highlighted the OPERATIONAL FAILURE of Oz and US intelligence agencies (YET AGAIN) and resulted in NINE innocent deaths, our incompetent politicians are frantically engaged in distracting the public's attention away from government derelictions of DUTY and RESPONSIBILITY to fruitless emotional responses; “.. *the Australian government will **leave no stone unturned in bringing to justice the perpetrators of this violent, barbaric act of murder,***” stated Rudd with all the hypocritical, fake fervour he could muster! Now consider the fact that Rudd is aware of the identities of the Indonesian murderers of five innocent, unarmed, Australian journalists in East Timor! That awkward reality puts a REAL perspective on the situation, doesn't it, mate!

‘No stone unturned,’ indeed! The NSW Coroner has all the information you require Kevin, no ‘stone turning’ required! So while you're in Indonesia remonstrating and distracting the public, kindly demand the arrests and extradition of the filthy MURDERING SCUM that killed our brave journalists, you can manage that, can't you, Kevin? The IDENTITIES of the murderers ARE WIDELY KNOWN and are easily accessed via the public domain or this site!

Faced with situations that demand competence and skill, Rio Tinto arrests in China and Jakarta blasts, it becomes increasingly evident that Rudd is incapable of REAL LEADERSHIP and GOVERNANCE; this ‘man’ and his government have FAILED every major test that has confronted them, notwithstanding the fact that Rudd consciously LIES and DECEIVES to hide his incompetence and COWARDICE - onward Christian, lying, hypocrites!

A fact known to the world is now becoming increasingly CLEAR to all Australians; the Rudd government is INCOMPETENT and WEAK - little wonder, as its narcissistic leader, Kevin Rudd, is known more for his posturing and posing for photo-shoots than anything else! So, in times of trouble and CRISIS what occurs, PANIC (help, America!) and OBFUSCATION to hide his GROSS INEPTITUDES and the incompetence of his useless, no-hoper, lackey ministers - Smith, Garrett, Conroy, Swan, to name a few?

Indeed, EVERY HUMAN LIFE IS PRECIOUS, Kevin, now consider the lives of MILLIONS of CIVILIANS needlessly killed by America and its 'allies;' how many thousands of innocent civilians in Drone attacks on Afghanistan and Pakistan; or the millions of civilians in Iraq for the sake of PLUNDER? Let's not allow TIME to diminish the MANY millions of innocent CIVILIANS killed in Indo-China and other illegal WARS YOU SUPPORT, Kevin, you unspeakable, vile, lying, hypocrite!

We do NOT diminish the life of one person lost in the Jakarta blasts but let's get FAIR DINKUM!

We expect to see the extradition of the murderers of the Balibo Five, forthwith, Kevin; what was it you call Indonesia today, a "firm friend?" Let's TEST that, shall we! The whole world (and history) are watching, Kevin!
