### **How do YOU feel?**

At the most critical period of our very short history, instead of recovery, WE ARE CHARGING FULL SPEED TO OUR COLLECTIVE DESTRUCTION; it seems this (insane) pursuit is the best we can manage in the current circumstances - how utterly tragic!

WE need not have taken this course but the Cheney's, Obama's and all the other puppet 'leaders,' installed by Corporate/Bankster ruling minorities, have DECIDED FOR US; so WE, in ALL OUR COLLECTIVE 'WISDOM' AND limitless COMPLACENCY, allowed ourselves to be herded BY SELF-CONFESSED CRIMINALS, PSYCHOPATHS and ROGUES, baa'aa - give me a break!

NONE of us can effect change alone or in small groups BUT EFFECT CHANGE WE MUST - COLLECTIVELY -- if we intend to survive.

I was 'floored' by a recent comment relating to the content on this site, staggered in fact! A relatively young person read a random set of posts and stated it was all "too depressing," WHAT! Since when is attempting to salvage our lives and live in PEACE, in a tenable world, DEPRESSING? What is really depressing is surrendering our God given sovereignty to a bunch of sociopaths and avaricious mass murderers - we have seen their 'solutions' over the past DECADE and for those in TOTAL denial, it's WAR, civilian holocausts and more WAR -- that REALITY is in OUR FACES! Never mind runaway climate change and the arctic permafrost melting like an ice-cube on a hot plate -- releasing millions of tonnes of methane and carbon dioxide into the atmosphere all the while -- better to watch Fox 'news' or follow the exploits of Paris 'vacuum-head' Hilton, you numb, mindless fuck's!

'D-E-P-R-E-S-S-I-N-G,' for Christ's sake! How have they managed to lobotomise an entire generation of our ONCE VISIONARY and VITAL youth?

It seems this particular clown's attitude reflects a generation; 'we can't do anything about it [WRONG] so let's follow the PRESCRIPTION handed to us by 'Cheney's' marketers -- hedonism, narcissism and self-centredness;' which happen to be the three most destructive forces of social cohesion! So, whatever you do, stay depressed and alienated AND SELFISH, for Cheney's sake!

Alone in a crowd is all you will ever achieve - tragic beyond description! But you always have a chance for a minute of fame or to die fighting in Corporatist WARS! A breakfast cereal future brought to you by Cheney and CFR geriatrics! These people are NOT 'POWERFUL;' they are sick NOTHINGS! Their most notable characteristics are age and PSYCHOPATHOLOGY! Yet YOU/WE allow these sicko's, via conservative religions, mass media, etc, to rule and GUIDE us!

So when our 'glorious future' unfolds - at speed - you can die medicated and masturbating with a mirror or picture of Paris Hilton in your other hand!

That future has been created for YOU, NOT ME or MINE. If we must die we'll die fighting the filth

that has brought us to this nightmare existence or we will live in Peace as ONE - think about it and perhaps unplug yourselves from Big Pharma and the mass media.

OUR options are either more AMERICAN WARS AND CERTAIN DESTRUCTION or mutual aid and co-operation in solving the many PROBLEMS THAT CONFRONT US ALL!

WE are ONE.

WE ARE ALL COMPLICIT one way or another; WE still have a choice, though time is fast running out!

["DEPRESSING," my arse!]

As for the 'beautiful losers,' continue on YOUR narcissistic, nihilistic, entropic, course and seek not to drag others down into the hole dug specifically for YOU!
