

The POWER is/in the ART and in those that produce it!

Underrated for too long, Aussie artist (actress) Toni 'awesome' Collette, recently accepted a challenging role for a TV series in the, bereft of talent, criminal USA. Collette plays four (five if you count Toni) characters emanating from ONE character suffering multiple personality disorder, a condition not unfamiliar to the paralysed, sedated masses!

Toni Collette

The role requires Collette to interchangeably/seamlessly switch from her main character to a carefree, irresponsible, pot-smoking, teenager to a tight-arsed, repressed, prissy housewife and to a vociferous 'male' Vietnam veteran; an interesting and challenging kettle of personalities for versatile and adept, Toni.

We recall Cate Blanchett playing Bob Dylan and various other characters to perfection but not in the same production. We can't wait for Toni to display REAL Australian savoir-faire and TALENT to those blockheaded, mass murdering, rustic yanks - God save the world from the hell that is mass murdering America!

We also take this opportunity to acknowledge the many unsung creative geniuses from down under waging the good war against that star-spangled fascist State. ART is power and you scoff at poets and other 'en-coders' to your very great detriment.

Nonetheless, it would be advisable if no skill or talent whatsoever is exported to nations that so flagrantly and callously commit heinous war and other crimes against HUMANITY.

Cultural activity in the form of TV 'entertainment' serves to diminish and distract from the reprehensible criminal activities of the USA. Toni, Cate and other outstanding Australian and international talents may yet realise that boycotting America is the honourable, sane and preferable course to take. In fact ALL ARTISTS in every field of endeavour should withdraw their support from the CRIMINAL USA until such time as its people hold ALL SELF-CONFESSED, MASS MURDERING, TORTURING, CRIMINALS, to ACCOUNT.

A Jew Bankster (Rothschild) once said, 'give me control of a nations money and I care not who writes its Laws!' Well, don't you, scumbag? My response is short and SWEET; 'give me control of a nation's LAWS/regulators and I will protect it from CRIMINALS and BANKERS alike!' Too easy, you P-A-R-A-

L-Y-S-E-D, yankee doodle dumbfucks!

Don't forget to escape to your 'home entertainment units,' sheeple, while OUTSIDE in the REAL WORLD the environment and countless life-forms begin a rapid spiral to oblivion!
