The cowardly, obedient, flea nation of the South Pacific and its shameless, servile 'leadership' are currently being taught a lesson not soon to be forgotten. Russia has joined its allies, India and China, in their moral, political and economic attacks on the Rudd 'custard' government by banning the importation of all kangaroo meat into Russia. This ban, which severely impacts Australia on a number of fronts, is too well timed to be accidental or coincidental.

The devastating (see link) Russian ban, following hot on the heels of catastrophic revenue losses resulting from huge decreases in Asian student enrollments, is designed to further weaken and confound America via economic attacks on its most SLAVISH, custard-faced, colonial ally, 'big, brave, do what your told,' Australia - pass the kneepads please!

Perhaps the new Federal Attorney General could implement his new "incitement" laws and hold former PM, John 'Cronulla riots' Howard, and his racist political tactician, Geoff Cousins, to account for resurrecting the White Australia racist corpse and also for actively encouraging a racist mentality in the population, for short-term political gain. These two conservative, DELINQUENT MORONS imagined it would all come at no COST to the nation; in your xenophobic, parochial, racist dreams. Today all Australia is aware of the monumental COST of the Haneef frame-up and 'curry bashings' to our education and other sectors!

The arrest and incarceration of Australian steel executive, Stern Hu, by Chinese authorities is also designed to apply the maximum pressure on the 'yes Rupert,' PM, Kevin 'yes America' Rudd. And this is only the beginning of co-ordinated lateral attacks on America via its weakest link, GUTLESS Australia!

There is NOTHING WEAKER ON THE PLANET than AUSTRALIAN POLITICIANS - John 'brave heart' Howard and Kevin 'Balibo' Rudd, I rest my case! But we could have thrown in Peter 'integrity' Garrett or Stephen 'kneepads' Smith - the shame of it all!

It would probably surprise most citizens to learn that these men are guilty of treason -- if the entire truth of Corporate and US interference became known! Indeed the death penalty for the inestimable damage these men have wrought on the nation and its people would be too soft a penalty.

Rudd, on orders from the USA (Bankers) recently indebted the nation for \$1.2 TRILLION, and counting! U.S. Banksters are able to make their cooked books look good from the REAL debts of SERVILE nations. Australia also conveniently serves as a supplier of URANIUM and other REAL ASSETS, all of which are acquired (stolen) with WORTHLESS AMERICAN, TOILET PAPER CURRENCY! Someone MUST put a stop to the ROBBERY of OUR REAL ASSETS for worthless American paper!

Howard and Rudd were/are VERY OBEDIENT TO THEIR AMERICAN Corporate MASTERS; we on the other hand are **patriots of the Sovereign nation of Australia!**

The good news is Australia will soon be returned to patriots and nationalists that would steer this nation on a very successful course. Immediate trials would be arranged for criminal Banksters, CEOs and traitorous politicians, which may also serve to send a message to other EXPLOITED States!

It's OVER!

Understand this and understand it well, the criminals behind the rape of OUR nation are members of the CFR, Trilateral Commission, Bilderberg group and other cabals that are able to exercise influence with nothing more 'magical' than **WORTHLESS, print-on-demand, PAPER MONEY**, which is NO LONGER PEGGED TO GOLD or any other standard! YET these DECREPIT OLD MEN, whose average age is EIGHTY, continue to plot a course to OBLIVION and planetary CHAOS for us all!

Would it surprise anyone to learn that no WOMEN or younger persons THAT HAVE A LIFE to look forward to, are members of these rancorous, nihilistic, secret cabals! These SICK OLD BASTARDS/PSYCHOPATHS, Cheney, Murdoch and Kissinger among them, continue to ply their nefarious, sinister trade on an unsuspecting world. It's time to wake up!

How much longer will the people allow themselves to be enslaved with DEBT created from thin air? YES, American dollars are not pegged to Gold, Diamonds, Platinum or ANYTHING of REAL VALUE, yet the world continues to exchange its REAL ASSETS for worthless, Zionist shit -- you dumb fuck's! Bought puppet politicians and slave populations have become so accustomed to the yoke around their reprehensible necks they can't imagine a life free of shackles!

Are YOU REALLY afraid of a bunch of decrepit, geriatric misanthropes that have NOTHING WHATSOEVER to LIVE FOR? I would hope not.

Take back your lives and rescue the planet - put these spiteful old men to work with brooms and mops. MAKE THEM WORK - as opposed to STEAL -- for their supper!

[We are ONE or we are nothing!]
