

## Stick to 'our' agenda, PUPPET!

by yarra *Friday, Aug 14 2009, 9:33am*

national / injustice/law / commentary

Certain revealing and thoroughly TRANSPARENT political events should never be allowed to pass without the STRONGEST possible response (baa'aa, moo'oo, braay) from outraged citizens! Some things just can't be ignored by responsible citizens from any representative democracy - astute readers could end this story right here by challenging the writer to name just ONE "representative democracy" on this corporate ruled planet! But that would lead to a stillborn story, something informative writers could never countenance; so to continue; notwithstanding the point is NOT lost on SOCIALLY AWARE, RATIONAL, THINKING persons.

***New AFP Chief, Tony Negus***

The event that forced us to our keyboards was Prime Minister Rudd's announcement naming the new Federal Police Chief, Tony Negus! Negus accepts the position of Commissioner from his current position/role as Deputy Commissioner. Clearly this is more a timid, bureaucratic promotion than a revamping/restructuring of an over-funded, beer-bloated, dysfunctional, plainly incompetent, regulatory body. The WORLD noted - excluding the CIA, AFP, ASIS, ASIO, or any other western 'security' agency you care to name -- **the release, from Indonesian jails, of over 100 members of the JI terrorist organisation (only) months before the latest Jakarta bombings!** But why should task specific agencies be aware of their primary purpose? This is SERVILE AUSTRALIA where from the TOP down WE TAKE ORDERS AND COP IT RIGHT UP THE KHYBER, maate!

The Australian Federal Police under Keelty are best remembered for the \$8.2 million FAILED attempt to frame an innocent dark-skinned Indian doctor (Haneef) on terrorist charges and for SACRIFICING nine young Australians to possible death penalties in a barbaric nation already responsible for the cold-blooded murder of five Australian journalists in East Timor! Another job 'well done' by our 'competent' Federal Police! I would add that it was the father of one of the very unfortunate drug-mule victims that alerted Federal Police of a drug run in the first instance. That's gratitude for ya, but politics demands sacrificial victims and the Indonesian Police and witch-doctor-believing government required softening, assurances and a price for certain interventions regarding the 'terrorist threat' - after the recent bombings one can only wonder at the level of incompetence in all our critical institutions!

Who gives a shit if five Aussie journos are slaughtered in cold blood or nine YOUNG Aussies are sacrificed for purely political purposes? Certainly NOT the people we placed in government to PROTECT us ALL! Imagine the prospect of a firing squad or spending the rest of your life in a torturous, barbaric, Indonesian jail when Federal Police could have easily arrested the youths upon their return to Australia? Rudd's inability to act and his deafening silence on both these matters define him as either the weakest PM on record or the most SERVILE; a position contested only by former PM, John 'deputy sheriff' Howard - may the most servile piece of shit win!

Rather than launch a full inquiry into the actions of former AFP chief, Mick 'well planned event' Keelty, this is what Rudd had to say today; "*[For] his rolling engagement which he is overseeing with the Indonesian national police in very complex counter-terrorism operations in Indonesia; [which CLEARLY failed to prevent recent bombings] **frankly the country owes him a debt of gratitude,**" [Emphasis added.] Not so, Mr 'spineless lackey' Rudd - the country owes Keelty a jail sentence for blatant CRIMINAL COLLUSION with former PM, John 'aluminium tubing' Howard and a number of his senior ministers!*

There is a wealth of material on this site [the Indonesian slaughter in East Timor was sanctioned by the CIA ] exposing Keelty for the INCOMPETENT criminal bastard that he is; notwithstanding Rudd's latest comments that clearly define him as a subservient, spineless, pipsqueak of a 'man' who has anything but the best interests of the Australian nation at heart!

The day is fast approaching when the Howards, Rudds and Obamas of this world will face the people for their treasonous actions. Be assured that REPRESENTATIVE DEMOCRACY will again become the preferred system of government!
