

Getting rid of Rudd

by finn *Wednesday, Nov 11 2009, 5:59pm*

national / social/political / commentary

An effective and simple strategy

Rupert Murdoch's Australian Prime Minister, Kevin 'border security' Rudd, recently made a failed bid to divert media/public attention away from the complete shambles of his FAILED border security policies by making a surprise visit to disillusioned Aussie troops in occupied Afghanistan! However, media and public attention remained firmly fixed on Rudd and his weak-kneed Foreign Minister's failed attempts to AVOID RESPONSIBILITY in the Tamil asylum seeker issue!

The monkey in the middle is Rudd

According to Maritime Law and UN convention, Australia must take full responsibility for the Tamil asylum seekers on an A-u-s-t-r-a-l-i-a-n vessel, and that is the 'long and short' of it! Indonesia, the Philippines and New Zealand are acutely aware of the legalities and responsibilities AUSTRALIA'S GUTLESS, INCOMPETENT, LEADERSHIP are ATTEMPTING TO AVOID!

The pathetic, conservative, poll-driven, pipsqueak from Queensland, Rudd, has to date been unable to bite the bullet and take FULL RESPONSIBILITY for a straight forward legal matter! Woe is 'Krudd,' whose current position and image is only marginally better than his despised Foreign Minister's. Rudd's (COWARDLY) entreaties to Asia and New Zealand have been contemptuously ignored and rightly so -- these events highlight the cost to the people of Australia of installing SHAMELESS, COWARDLY, INCOMPETENT PUPPETS to positions of NATIONAL RESPONSIBILITY!

Rudd survives ONLY on his PRECARIOUS ability to be a populist - a very tenuous and unsafe platform in politics yet it seems the vacuum-heads in the Labor movement are unable to exploit an opportunity when it presents itself! Without a support-base or friends, all that is required to unseat/replace Rudd is to irreversibly tarnish his IMAGE/veneer; the lackey/pipsqueak would then have nowhere else to go but out the 'door' -- GET IT?

While Rudd flounders with border security, traditional Labor (the Unions) should take industrial action NOW and maintain pressure until Rudd's image is irretrievably compromised. Every opportunity should be exploited while the lackey is down, you clowns! It is then a simple matter to challenge his leadership from within on the basis that the leader is on the nose/INCOMPETENT - Rudd has unintentionally bared his little chest to anyone that is able to deliver the quick decisive blow - too fuckin' easy!

Rudd, as a result of his deplorable, traitorous (appointing opposition conservatives) actions has NO FRIENDS in his own party or traditional support base. Rudd has not only ignored his party's traditional values he has, with the utmost contempt, attacked the UNION MOVEMENT and tarnished its reputation!

The current border security 'crisis' is the price Australia pays for installing an incompetent servile LACKEY to power. During his failed visit to Afghanistan Rudd dutifully parroted WASHINGTON'S line by pledging undying support for AMERICA'S illegal wars in Central Asia. Oz continues to bear the shame and guilt for its unjustified intervention in Indo-China -- the fact that Afghans are more fiercely independent than the Vietnamese seems to have escaped the attention of our lackey PM, Kevin 'photo-shoot' Rudd.
