Imperial, corporate ruled, 'shit-on-the-end-of-a-stick,' America, "**vows permanent presence" in Asia!** Interesting announcement from puppet-in-chief Obaa'ma today; however, the world's largest regional group, ASIANS, just may have a 'minor' influence in determining THEIR OWN DESTINIES - you mindless, American morons!

Puppet-in-Chief

To date the type of American involvement in Asia is ABUNDANTLY CLEAR - plunder, civilian holocausts, occupation, interference in local culture and politics and massive CORRUPTION - an astounding track record! Millions NEEDLESSLY slaughtered as a result of American INCOMPETENCE, THEFT and NAKED AGGRESSION. Yet this imbecile cowboy nation "VOWS" a permanent presence!

Well, here's your chance spineless 'Han' and 'Uri,' take a lesson or two from the fiercely independent Afghans and Tribals on the North West Frontier and then read the colourful history of Empires meeting their ruin in this region.

Whether Asian Superpowers, Russia and China decide to assert dominance in their OWN region is anyone's guess; however, delays would advance Western territorial and military expansion in the region - more strategic encirclement and bases - IT'S PLAIN TO SEE!

China and Russia abandoned their Balkan allies now it may be their turn to eat shit.

As for FREEDOM LOVING people everywhere, ALL mass murdering, thieving invaders are as welcome as the plague.

Peace.
