Fraud Obama did the World a Favour

This will probably be the shortest piece I have ever written so I extend special thanks to the person who did all the hard and REVEALING work, Barack H. Obama, the greatest living FRAUD on the planet! By promising the ENTIRE WORLD, "Hope" and "Change, we can Believe in," and then delivering a CONTINUATION of the poisonous policies of the previous administration, Obama single handedly destroyed ALL FAITH in the democratic system of government.

Portrait of Words

All doubts regarding corruption and manipulation have been removed by Mr 'Hope' and 'Change' himself – Obama's REAL CREDENTIALS are on open display for the world to see -- let history record it thus; as we mark the meridian of time.

IT'S OVER PEOPLE; IT'S TIME FOR A REAL CHANGE, WHICH, AS WE ALL NOW KNOW, ONLY OCCURS FROM THE BOTTOM UP!

The electoral process and the entire privately owned circus that democracy has become is COMPLETELY EXPOSED thanks to Obama and other CORRUPT political puppets like him; there is no TURNING BACK now, it's OVER!

That's it, people! The future is in OUR HANDS whether we like it or not.

Have a nice constructive day.

I Love you!

No human cost too high for greedy Profiteers!
