Oz needs to have its ingrained racist nose rubbed in its mess before it will reform, it would seem. Recent news that a hard working, and promising young Indian student was viciously attacked and slain by Oz racists, identities unknown at this stage, serves to highlight the FACT that Australia REMAINS the world’s LEADING RACIST NATION. And who can we thank for exhuming the white Australia, racist corpse from its grave, why short term opportunist and War Criminal, John Howard and his chief racist strategist, Geoff Cousins – of what consequence is another DEAD darkie anyway? Well, RACIST Australia, you are about to find out!

Your actions have come home to roost!
