The Australian public broadcaster, which should know better than to run with and kow-tow to the new CENSORSHIP GOVERNMENT, ran a story on the COWARDLY, racially motivated, stabbing murder of a 21yo Indian student, titled: **"No evidence for race link in Indian attacks .."** [Learn that banner headlines are important, Aunty!]

Rudd burning

It goes on to quote the Minister of 'diversion and face-loss,' Simon Crean; *"I think it's important to note that the police themselves have said that there is no evidence that this [attack] was racially motivated!"* Well, if Melbourne's corrupt police say 'it,' it must be 'true!' Don't make me laugh!

It was the **Federal Police** that attempted to frame a brown skinned, INNOCENT, INDIAN doctor (Haneef) on TERRORIST charges in order to enhance the electoral prospects of the then sitting, RACIST Prime Minister, JOHN 'tampa' HOWARD! This travesty of justice, which the current government has FAILED TO PURSUE, involved collusion between former Chief of the AFP, Mick 'well planned attack' Keelty, former Immigration Minister, Kevin Andrews, and the PRIME MINISTER himself -- can we get any higher than that to measure a NATION'S character?

But let's ignore the previous White Australia Policy or the FACT that Australia remains the world's leading racist nation or that expressions such as "curry bashing," "slope," and "wog" (levelled at brown-eyed Europeans) have entered the Australian vernacular and just take the current attack at face value. Excluding continuing bashing attacks on Indians as I write, I note the lone victim was set upon/ambushed and that he was not robbed, the victim had brown skin and an Indian accent - quite clearly the attacker must have been a colour blind, deaf, thief, suffering Alzheimer's (forgot to rob his victim). What day is it, Simon?

Give us ALL a break, Crean, you idiot! You can inform your 'fearless' leader, Rudd (if you can find his hiding place) that failing to pursue Keelty, Howard and Andrews for OBVIOUS criminal collusion, and that failing to PUBLICLY CONFRONT Australia's RACIST PROBLEM forever COMPROMISES

his government's CREDIBILITY; notwithstanding the enormous COST denial is having on our economy.

Did I forget to mention John Howard's **CRONULLA RACE RIOTS**? What time is the 'tea party,' Simon?

[Please note, this article and other hard-hitting Independent reports are the REAL REASON behind RUDD'S CENSORSHIP POLICY!]

Replace Rudd or the people will replace the ENTIRE government! Take it under advisement you reprehensible, do nothing, no accounts!]

Australian Made!
