

The Token Presidency

by quin *Saturday, Jan 16 2010, 8:00pm*

international / peace/war / opinion/analysis

Winner of the Nobel FRAUD Prize, Barack Obaa'ma, has broken all records for requesting funds from Congress for WAR and MILITARY spending – how do you feel now, suckers?

Notwithstanding that the once esteemed Nobel PEACE Prize has become a badge of criminal DECEIT, the gross and GLARING FRAUD that IS THE US PRESIDENCY, TODAY IS MADE PLAIN! Barack O'Custard has requested a RECORD \$708 billion exclusively for the Pentagon -- you know, that's the world famous 'humanitarian charity organisation' -- and an ADDITIONAL \$33 billion for ongoing ILLEGAL WARS of OCCUPATION and INVASION in Iraq, Afghanistan and Pakistan! President Sarah 'vacuum-head' Palin couldn't have done better – has the penny dropped yet, doodles?

Obama's latest effort is yet another example of newly defined "*Hope*" and "*Change we can believe in*," DELIVERED right up the collective American arse – you poor, dumb, mindless, spineless, PATHETIC, yankee doodle fuck's!

Pointing the accusative finger of LIAR at a 'man' that now occupies the highest office in 'Babylon' is a waste of energy for all the good it would do. It has become UNDENIABLY and PAINFULLY CLEAR that this generation will be forced to take up arms and FIGHT for the Freedoms and Liberties (Justice) our fathers paid for with their blood – ***are we not our fathers' sons and daughters?***

The prevailing situation is destructive, unjust, inequitable, grossly unfair and criminally culpable, which CLEARLY indicates UNTENABILITY or future RUIN; notwithstanding the current status quo is against every moral principle and belief the founding fathers and western civilised society once held sacred!

The time for talk is OVER; the corporatist CRIMINALS that have hijacked our democracies must be stopped and every complicit party must be held to account – we risk losing EVERYTHING if we fail to act and time is running out – the bastards have planned what they imagine to be limited nuclear wars! However, reason dictates that once that genie is out of the bottle it's over – 'limited,' my arse!

Ruling MINORITIES have failed at every turn, their last monumental failure was the attempt to deceive the people into a Carbon based economy; thank you China for subverting that grand con.

Ruling elites are now desperate and fear for their very skins, the REAL economy is about to completely and irretrievably collapse. The nefarious elites that have ruled for so long have no qualms about plunging the world into what they believe to be a 'controlled nuclear chaos' to save their skins and wealth. They must be stopped NOW!

It is TIME!
