“After eight years of war” and facing INCREASING opposition in three South Asian nations, McChrystal changes tune and admits there may be a “role for the Taliban” in a future Afghan Government, dig that! The sworn enemy of the USA responsible for all the propaganda and lies disseminated by FOX news is now a negotiating partner -- excuse me while I roll on the floor laughing!

A downcast General Stanley McChrystal, Commander of lost Wars!

We all remember distinctly the words of the CRIMINAL neo-cons that “America would never negotiate with terrorists,” especially those that have given safe haven to Hollywood Osama Bin (dead for years) Laden! What’s-a-matter Stanley, can’t face future defeat, or is it a feign while Gates primes a nuclear exchange between India and Pakistan, which would solve a lot of your problems in the region and finally put a radioactive end to the NW Frontier region?

Great plan if it wasn’t so bloody obvious, morons; but the world knows better and the finger of blame -- accompanied by a possible nuclear retaliatory response -- would be directed at Y-O-U, Uncle!

In any event, resistance in Iraq, Pakistan, and Afghanistan grows with every lunatic CIA Drone strike. Never forget YOU are the enemy, Bob, neither you nor that Kosovar criminal ally, Holbrooke, will get away with it this time, be ASSURED of that!

Expect the unexpected, you have been pre-empted at every turn, LOSERS; but Stanley, you’re supposed to be a SOLDIER, your job is not to reason why, you MUST DO or DIE, cocksucker!

O, and give my regards to Kilcullen, that traitorous piece of shit - you should know better than to take advice from Aussies, they’ll tell you anything while they gather valuable intelligence! You would die if you knew my identity, arseholes!

I’ll see you in Afghanistan or Pakistan maybe even Iraq, three nations poised to launch co-ordinated attacks and see you kicked back to the Ozarks, you hillbilly imbeciles!

YOU opened Pandora’s Box, now deal with it! You have unwittingly empowered AND CO-ORDINATED your enemies, you lobotomised quarter-wits!

WELCOME to the GRAVEYARD of EMPIRE!

Are we confident of FINAL VICTORY, 'you betcha!'
