Answer that question for my 12yo daughter!

For all its bluster, bells, whistles, DECEPTION and marketing bullshit, America REMAINS the WORLD'S leading CHILD/CIVILIAN killing nation. The sheer number of innocents the U.S. has directly and indirectly slaughtered rivals and exceeds that of the most heinous criminal nations in recorded history/infamy!

Today American criminal leaders GLOAT and BRAG on national television how they consciously implemented and CONTINUE to support kidnapping, TORTURE, assassinations and WARS of plunder and aggression around the globe. The solution to this blight on HUMANITY will be swift, short and FINAL -- make no mistake! There is no reversing this type of terminal disease.
