

Incompetent Oz PM, Kevin 'yes Rupert' Rudd, attempts to portray Aussies as Terrorists

Kevin 'photo-op' Rudd, is arguably the most incompetent, narcissistic and ineffective Prime Minister Australia has ever had to suffer - his very brief and unfortunate tenure is threatening to annihilate Labor across the board, at Federal AND State levels! A lesson in populism you will not soon forget, gentlemen; populism going sour carries a very high penalty indeed - but its not too late, an unfortunate accident perhaps!

Original Eureka Flag

Rudd is in all sorts of trouble with (tailored for the media) national projects in ruin, COWARDICE confronting Japanese whaling, botched insulation roll-outs, a NO skerrick of INTEGRITY Environment Minister, a corrupt (CENSORSHIP) Communications Minister, water management issues (water theft by BHP), MONUMENTAL climate-change/ETS FAILURES, MASSIVE spending/ 'stimulus' /DEBT, showing minimal results etc, etc; the list is almost endless.

In these circumstances the most important manoeuvre for Rudd and his fifth rate handlers is not meeting leadership responsibilities or bowing out and letting someone who is capable take the reins, BUT A FEEBLE ATTEMPT AT MEDIA DISTRACTION in the form of a subliminally accusative white paper on home grown terrorists!

Oz history bulges with towering figures fighting INJUSTICE, government CORRUPTION, incompetence, plutocracy/corporatism, oppression, IMPERIALISM etc; Ned Kelly's political manifesto and the Eureka Stockade immediately come to mind! According to Rudd's new take on home-grown Aussie terrorists, AUSSIE FREEDOM FIGHTERS would no doubt be DEFINED by lackey-piece-of-shit, Rudd, as TERRORISTS!

Rudd is attempting to shift the focus away from HIS multiple FAILURES by directing an accusative finger at the LOCAL POPULATION -- accusing the innocent is a very old and tired political ploy/trick! In a last minute, hastily edited white paper, Rudd included this little gem of information:

"the threat we are now facing comes from the Australian-born, Australian-educated and Australian resident ['terrorist']."

Well, FUCK YOU, Mr Rudd!

Aussie DISSENTERS and FIGHTERS will not be daunted by the likes of a little Queensland, cocksucking, bureaucrat that never had an original idea in his miserable life!

Home grown indeed! This policy, following hot on the heels of Murdoch's regressive CENSORSHIP policy, is CLEAR in its long term INTENT, eliminating all voices of dissent, protest and resistance!

*[A message to the plutocrats that currently control Rudd and Australia's two major political parties - **you will not succeed!** The case for (retrospective) treason charges is strong. Long live the Aussie fighting spirit and down with CORRUPT, treasonous, lackey, leaders like Rudd, Abbott, Turnbull, Howard and Keating!]*
