Notwithstanding America's current status as the world's leading terrorist nation -- its criminal civilian killing record VERIFIES the FACT - the Oz PM, Kevin 'US lackey' Rudd, played a neo-con DIVISIONIST trick yesterday in a feeble and TRANSPARENT attempt to draw attention away from his and his Minister's MISERABLE PERFORMANCE IN GOVERNMENT.

***Hacked Traffic Sign, Sydney's Eastside***

Rudd attempted to shift focus away from his government's appalling performance (in numerous areas) by pointing an accusative finger at the local population; yes, the (tired) "terrorist within" threat was intended to fascinate and distract the public from the government's INCOMPETENCE!

As we all know, Rudd's ploy backfired; Rudd was mercilessly 'pasted' by the entire media spectrum for his insulting and very transparent attempt to 'distract baby with a rattle!'

The pathetic, show pony PM is now completely bereft. Rudd, by spinning himself into a deep hole, finally confirmed he has no real ability to govern a nation! He is only able to temporarily survive by serving an elite minority while he tricks the public with spin and meaningless 'apologies' - Aboriginal conditions and living standards have not improved one iota since Rudd's HOLLOW, "Sorry!"

Savvy political commentators, a rare breed these days, knew it was only a matter of time before non-entity, Rudd, spun himself out of office! The entire population should now be aware that Rudd is a USELESS LACKEY that does what he's told by minority interests, media moguls, corporatists and others engaged in the WHOLESAL RAPE of OUR NATION! A (retrospective) case for treason is strong - allowing America, a heinous, criminal, FOREIGN nation to dictate policy, is TREASON, Mr Rudd, or hadn't you noticed? [Former PM, Howard and others, also take note!]

It is a blight on EGALITARIAN and FAIR Australia to allow mass murderers to go unpunished - WE DO NOT FIGHT AMERICA'S CRIMINAL WARS - period!

Do not for a second imagine that JUSTICE will not be served; the long suffering people will have THEIR day.

The breath you feel on your necks is mine - any time, any where - too fuckin' easy, and you (ALL) know it. The advantages of good Aussie training!

We no longer internalise our pain and grief, you DESPICABLE, LYING, CHILD KILLING, BASTARDS!

According to the most accurate measure of terrorist activity - involvement in the mass murder of innocent civilians - the REAL TERRORIST IS YOU, Mr Rudd!

The people are no longer deceived by your inept tricks!
