Following the SUPREME COURT'S recent RULING AGAINST mega-Hollywood studios, media moguls, Murdoch and Stokes -- iiNet vs the 'Plutocracy' -- a functional and largely UNCORRUPTED Aussie LEGAL system has allowed another landmark case to proceed. Former Guantanamo detainee, Mamdouh Habib, won a Federal Court decision to proceed with an action against the Federal Government for complicity in his tortuous three-year ordeal at the hands of the CIA and other AMERICAN CRIMINAL ORGANISATIONS - no case was ever brought against Habib by the U.S. after three years of illegal detention, torture and rendition to various CIA torture facilities in Egypt, Pakistan and elsewhere.

[Civilisation **DEPENDS** on a strong, independent, uncorrupted, Legal System - it should be noted that America's descent into State Terrorism followed the corruption of its Judiciary!]

The servile (to CRIMINAL America) Howard Liberal Government, should be held to account not only for its reprehensible abandonment of Aussie citizens in trouble but for its **COMPLICITY** in one of the most heinous **CRIMES** known to civilised society - **TORTURE!**

This case is not about the character of a loud-mouthed Muslim from Lakemba, a silly man that could have easily avoided trouble using a little discretion - this case is about **CORRUPT** Police Agencies, Government Ministers and failed governance.

The Australian public has been aware of criminal collusion between the AFP and Senior Liberal Government Ministers since the 'Bali 9' and Dr Haneef **SCANDALS**; both cases should have gone straight to the office of shameless coward, former Prime Minister, John 'deputy sheriff' Howard!

Notwithstanding the above case could be prosecuted some time in the future, it is about time our **TREASONOUS, SERVILE, GOVERNMENT WAS HELD ACCOUNTABLE FOR ITS CRIMINAL ACTIONS.** The Habib case could well set a precedent, which would be a **HUGE WIN** for the **PEOPLE** of **AUSTRALIA** and **DEMOCRACY!**
