True to form, our GUTLESS, cringing, servile, knee-padded, custard-faced leaders, Rudd and Abbott, have not made formal requests to the Indonesian President, during his Oz visit, to surrender the KNOWN murderers of the 'Balibo 5.'

Gutless Rudd with SBY

Compare the behaviour of OUR SHAMELESS COWARDLY leaders with other world leaders, particularly the USA. Former President Bill Clinton appealed and personally escorted captive U.S. citizens back to the USA from North Korea - a far more hostile nation than Indonesia! A U.S. Senator personally flew to Burma and returned to the U.S. with a Mormon nut-case who illegally gained access to former opposition leader, Aung San Su Ki, currently under house arrest by the military junta, in Rangoon.

If other nations do this for their citizens and mental cases WHAT EXCUSE WOULD Oz leaders offer for their SHAMELESS COWARDICE regarding the KNOWN Indonesian MURDERERS of five Australian citizens? [They killed them like dogs, in cold blood!]

Abbott, Rudd and all their respective senior leaders - you wouldn't piss on any of 'em! The temptation to put these COWARDS into the ground becomes harder to resist as each day passes! For Christ's sake, the INTERNATIONAL SHAME of it!

These servile COWARDS do not reflect the Australian character or our cultural values in any way whatsoever! I would show these cowardly fleas the same consideration they show us - NONE! Be advised you despicable, spineless, jellyfish!

Rudd's porous border 'security'
