The headline could have been pulled from a speech dictated to former Oz PM, John 'deputy sheriff' Howard, when he shocked average Aussies with the 'news' that "America has no better friend than Australia;" that claim certainly was news to the Oz population that have always viewed Americans with a derisive and suspicious eye! In yet another indication that the ruling elite has run out of tricks, almost the exact same line was adapted for the US-Israel relationship.

Joe 'identity crisis' Biden

The Jerusalem Post ran a story today titled, "*Biden: The US has no better friend than Israel.*" Note the inversion since Oz, today it's the U.S. dog paying homage to the Israeli flea - what a shift! And if that doesn't salt an already bleeding wound for the vast majority of Americans -- who couldn't give two shits about Israel -- the déjà vu headline for Aussies clearly indicates either a contemptuous recycling for the 'moron public' or a drastic shortage of creative talent in the stables of rapidly FAILING ruling elites!

Read the JP story for yourselves and assess whether OUR problems with puppet government and corrupt Corporatists are indeed more pressing than those of the most problematic nation on earth! The REALITY is that only Jews and Washington give a shit about Israel - no one else gives a damn! In fact the sooner the State of Israel is dissolved the sooner the WORLD will know peace -- FACT!
