

## Strange Love

**(for snow leopard)**

could i return  
your (powerful) Love?

sky and sea  
exchange places  
horizons dissolve into infinity

you Love like a man  
but i am man - this love is strange  
unsettling  
but  
addictive

Pan dances and  
pipes (his) radical  
sensuality

satyrs  
lose themselves  
swirling in  
wild abandon

is *your* Love Pan's revenge  
for lapses into  
the mundane,  
for occasionally  
deferring to cultural conformity?

with your light Lucifer avenge

advance refrain  
insatiate

seas condense into  
droplets of sweat  
on our bellies  
oceans form  
tiny navel lakes

what are Gods and conventions  
but men's creation

locked in  
sexual embrace  
we expand and consume entire  
worlds ...

(trans)form/ing

leave convention  
to undertakers, conservatives

moaning  
swirling

unite the irreconcilable;  
what relevance  
gender behaviours?

Love me ...

let it go  
accept what i have  
to give  
do not resist

let me  
Love you ...
