The instant America gains a nuclear tactical advantage, IT WILL LAUNCH, make NO mistake! Do you imagine Western forces are playing 'Ring-around-the-Rosie,' surrounding you with missiles, idiots? As each day passes NATO advances and tightens its noose around your necks, FOOLS! The situation deteriorates DAILY! Listen to your generals and confront the mad dog in the Balkans, where you are supported by International Law and UN resolutions! Poise your missiles for a MAJOR DECISIVE, F-I-N-A-L STRIKE against Western European Capitals and continental America AND STAND THE MAD DOGS DOWN. You are legally JUSTIFIED supporting your allies Serbia and Iran!

Your options are limited, in fact TODAY you have NONE but to CONFRONT and repel the advance!

I do not pull my information out of the sky, comrades; be well advised or be damned!
