In the current (absurd) political climate of **transparent, deception and criminality** from 'our representative' leaders, around the globe – someone has to declare the next historical phase. The title says it all; need I elaborate, except perhaps to say it's a turkey shoot? Fuckin' criminals!

Consider a few STARK REALITIES:

Iraq and Afghanistan are NOT wars they are CRIME SCENES in progress – over one million innocent civilians DEAD and CONTINUING criminal DRONE attacks that CONSCIOUSLY kill more civilians on a daily basis!

CRIMINAL Banksters robbing/destroying the global economy then pilfering the public purse to bail them out when they should be hanging from light poles!

Corporatists raping, plundering and POISONING/POLLUTING the ENTIRE PLANET for personal gain!

Draconian, paternalistic, REGRESSIVE CENSORSHIP implementations in UK, Oz and NZ -- think of it this way, types like Kevin Rudd and Stephen Conroy telling entire ADULT populations what they can and can't read/access IN THE PUBLIC DOMAIN – no fuckin' way, you puppet cocksuckers!

The list goes on – none of it good, least of all DEMOCRATIC.

The Force:

We are a loosely/tightly knit group of veterans, professionals, mums, dads and CIVILISED, civic minded people who have come to the conclusion that we must ACT decisively in order to SECURE AND PROTECT OUR/THE FUTURE FREE OF UNREPRESENTATIVE CRIMINAL LEADERSHIP and commercial PARASITES – that simple! The simple FACT is THEY are the criminals, PLAIN TO SEE.

Make no mistake, VICTORY IS ASSURED. It's as inevitable as the rising of the SUN.

We are LEGION – We are ONE.
