

What's wrong with this Equation, doodles?

by sol Thursday, May 6 2010, 10:52pm

international / social/political / commentary

COLLUDING CRIMINAL, mega-rich elitists create the world's worst economic crisis and force innocent common people (USA, Greece) to pay for THEIR mistakes?

Continued, OVERT global economic crime and casino stock markets - YOU must be fuckin' dreaming!

Let's all sing it together:

'I am a yankee doodle dumbfuck, yankee doodle do or DIE
Yankee doodle gets it in the arse from rogues, thieves and corporatist government but still no reaction from yankee doodle d-u-m-b-f-u-c-k, boy!'

Sometimes a little ditty is worth a million stories, you spineless moron C-O-W-A-R-D-S. LOOK TO GREECE and REMEMBER what you once were - for fuck's sake!

[Bend over some more, you cringing, whipped dog, chicken-shit, Americans!]

Hang those responsible for global economic collapse and nationalise banks
