Iraq is an excellent example of American 'success,' knowhow and 'genius,' is it not? Afghanistan is proving a better example still! These two screaming, REAL LIFE examples of American incompetence, ineptitude, overt flouting of international law and human rights, just won't fade into the background. Almost daily the newswires contain more horrid examples of civilian killing by Americans and the MASSIVE DESTABILISATION that ensues. The 'stability, liberty and democracy' that America promised Iraq, Afghanistan, Pakistan AND the WORLD, is proving to be a very bitter experience for the innocent civilians of Iraq, Afghanistan and Pakistan. Take a quick squiz at the REALITY today and VERIFY the truth for yourself.

***Bereft -- General Stanley McChrystal***

Remember the world's most "evil" dictator, Saddam Hussein; possessor of countless fantasy WMDs and chemical ice-cream trucks full of Disney anthrax powder? Yes, that's him, FOX News told us so; the man responsible for murdering and torturing over 250,000 Iraqi citizens. Well, as we are aware today, America hanged him while it was busy slaughtering over ONE MILLION INNOCENT Iraqi men, women and CHILDREN! Now, whatever you say about Saddam, he DIDN'T LEGALISE TORTURE or kill innocent CHILDREN! However, today we are WITNESSING AMERICAN DEMOCRACY IN ACTION, and what a 'fine' picture it makes!

Saddam was demonised and executed as an evil, murdering dictator; what then of those responsible for the American-led Iraqi HOLOCAUST - let's see some star-spangled/NATO heads roll! If the nature of the crime and sheer numbers mean anything at all then we require REAL JUSTICE and a PUNISHMENT THAT FITS THE CRIME - hang them by the neck until dead, that's how it goes doesn't it? Surely, the statutes require it; are WE not expected to conform to the LAW; I am not familiar with the LAW allowing exceptions, are YOU? Where are the AMERICAN CRIMINALS that make Saddam's heinous record look almost insignificant?

They are FREE and continue to live among us without the slightest concern that they will ever be held to account! I ask, where does the fault really lie, who is responsible for allowing brazen, vile, criminals to go unpunished if not the masses, the billions of people that outnumber, surround and could easily overwhelm these criminals any time they choose?

WE are able at ANY TIME to DEMAND JUSTICE! Indeed, POPULAR DEMAND is the most effective

means of social change/reform. A thoroughly inept Australian Prime Minister is today learning that the people are 'fed up' and will no longer accept trickery and DECEPTION as forms of government. LIES, it seems, no longer 'cut it' with the masses of today. And if no man is an island what then of nations?

The days of BOUGHT puppets, lackeys and LIARS in high office and other places of social responsibility have come to an end. It is the BILLIONS of people on this (OUR) planet that will ensure that heinous LIARS and MASS MURDERERS are punished and that CORRUPT State legal, financial/monetary and other institutions are purged of the filth that currently inhabit them. All this is easily achieved by POPULAR DEMAND, it IS that simple! The REAL determining and directive FORCE of any nation is the masses, not a tiny cabal of psychopaths and criminals.

In conclusion, I/we would like to extend our heartfelt thanks to the avaricious rogues, banksters and financiers for doing all the heavy lifting - we cannot thank you enough for CATALYSING REAL SOCIAL CHANGE (that we can ALL depend on).

*[You can no longer support a global economy with toilet-paper money; the Greek bail-out is a 'fiat' SHAM, and your stock markets are private casinos -- EVERYBODY KNOWS!]*

Have a nice day, citizens.
