international / human rights / commentary

Take your place on the world stage; an opportunity goes begging to fight and win; leverage a hugely popular cause; demonstrate your relevance in world affairs and offer a NAVAL ESCORT for the *MV Rachel Corrie* on her humanitarian mission to Gaza. Make perfectly clear to the world which two nations -- USA and ISRAEL -- terrorise humanity and arrogantly flout international law and convention by making a Nazi concentration camp of the Gaza strip!

Stop the criminals NOW or suffer the inevitable and catastrophic escalation/consequences that necessarily follows INACTION - remember the inaction that resulted in WWII.

International support has never been stronger you lame, COWARDLY, morons!

Put an end to State terrorism, NOW!

Rachel Corrie seized by Israeli Navy
